Greenfield Institute of Technology

Student Enquiry Knowledge Base
Prospectus, Rules, Fees, Placements and FAQs

Knowledge source for the AI Chatbot for College Enquiry project (Python, LangChain, Chroma, Gemini API)

Edition: Academic Year 2026-27 (current) and Admission Cycle 2027-28. Prepared on 12 October 2026.

IMPORTANT DISCLAIMER: Greenfield Institute of Technology (GIT) is a completely FICTIONAL college. Every name, person, address, phone number, email address, website, fee, statistic, date, company, ranking, rule and policy in this document is invented and is intended ONLY for project demonstration and testing of a RAG-based chatbot. This document does not describe any real college, university, company or person. Any resemblance to a real institution is coincidental. Do not use this information to make real admission, financial or career decisions.

About This Document and How to Use It

This knowledge base contains detailed information about Greenfield Institute of Technology (GIT), a fictional engineering and management college. It is written so that a retrieval-augmented generation (RAG) chatbot can extract text, split it into chunks, create embeddings and retrieve accurate answers to student, parent and visitor questions.

Conventions used in this document

- Greenfield Institute of Technology is abbreviated as GIT. The words college, institute and campus all refer to GIT.
- All money amounts are in Indian Rupees (INR) and are written as Rs. followed by the amount, for example Rs. 85,000. Indian digit grouping is used (Rs. 1,23,500 means one lakh twenty-three thousand five hundred).
- LPA means Lakhs Per Annum. Rs. 6 LPA means a yearly salary package of Rs. 6,00,000.
- Dates are written as day month year (for example 24 April 2027). Times use the 12-hour clock with AM or PM.
- An academic year runs from August to July. Odd semesters run from August to December and even semesters from January to May.
- Where a detail is not specified, this document says NOT AVAILABLE or NOT SPECIFIED. The chatbot must not guess such details and should direct the student to the relevant office listed in Section 13.
- Fees, dates and seat numbers are fixed for the academic years stated. Later years may change after approval by the GIT Governing Council.

Document structure

Section	Topic
1	College overview, history, vision, mission, location and departments
2	Courses, specializations, durations and seat availability
3	Admission procedure, eligibility, entrance exams, deadlines and documents
4	Fee structure for all programs, hostel, transport and other charges
5	Scholarships, financial assistance and education loans
6	Hostel facilities, rooms, mess, rules and allotment
7	Campus facilities: library, labs, Wi-Fi, sports, cafeteria, medical, support
8	Placements, recruiters, training, internships and statistics
9	Academic regulations, attendance, exams, grading, backlogs and calendar
10	Faculty, departments, laboratories, research, clubs and events
11	Transportation, bus routes, timings, fees and parking
12	Student services, certificates, ID cards, grievances, anti-ragging and discipline
13	Contact details, office hours and enquiry procedure
14	Frequently asked questions
15	Additional information students commonly ask about
16	Sample student queries (different phrasings) with answers
17	Register of information that is not available
18	Glossary and quick facts

1. College Overview

Section 1 - About Greenfield Institute of Technology (fictional): history, vision, mission, location, departments, accreditation.

1.1 About Greenfield Institute of Technology

Greenfield Institute of Technology (GIT) is a fictional private, self-financing, co-educational institution offering undergraduate, postgraduate and doctoral programs in engineering, technology, computer applications and management. The institute was founded in 1998 and is located in Meadowvale, in the fictional Greenfield District. GIT has been an autonomous institution since 2012, which means it designs its own curriculum, conducts its own examinations and awards degrees jointly with its fictional affiliating university, Greenfield State Technological University (GSTU).

- Official name: Greenfield Institute of Technology (short name GIT).
- Type: private, self-financing, co-educational (men and women), autonomous institution.
- Founded: 1998 by the fictional Greenfield Education Trust. Autonomous status since 2012.
- Affiliation: Greenfield State Technological University (GSTU), fictional.
- Approval and accreditation: approved by the fictional National Council for Technical Education Standards (NCTES). Accredited with Grade A+ by the fictional Federation of Accreditation Boards (FAB) in 2023, valid until 2028.
- Campus area: 62 acres of green campus in the Greenfield Knowledge Park.
- Students: approximately 3,700 (about 3,250 undergraduate and about 450 postgraduate students).
- Faculty: 285 full-time faculty members. Student to faculty ratio is approximately 13:1.
- Medium of instruction: English.
- Alumni: more than 21,000 graduates since the first batch passed out in 2002.

1.2 History and Milestones

Year	Milestone
1998	GIT founded by the Greenfield Education Trust with three programs: Computer Science, Electronics and Mechanical Engineering. First intake: 180 students.
2002	First batch of undergraduate students graduated.
2005	Civil Engineering and Information Technology departments started. Library moved into a dedicated building.
2008	Master of Business Administration (MBA) and M.E. programs launched. Boys' hostel Banyan Block opened.
2012	Granted autonomous status. Own examination system (Controller of Examinations office) established.
2014	Electrical and Electronics Engineering department added. Girls' hostel Lotus Block opened.
2016	Master of Computer Applications (MCA) program started. Innovation Hub inaugurated.
2019	Artificial Intelligence and Data Science (B.Tech) started. Biomedical Engineering started in the same year.
2021	Campus-wide gigabit Wi-Fi network commissioned. Centre for Artificial Intelligence and Data Science research established.
2023	Accredited Grade A+ by FAB. Knowledge Resource Centre (new library) expanded to four floors.
2025	Electric Vehicle Technology Lab and Cyber Security and Digital Forensics Lab inaugurated.
2026	Silver jubilee preparations announced for the 2027-28 academic year, marking 29 years of GIT. (Foundation Day is celebrated on 12 September.)

1.3 Vision

To be a globally respected centre of technical and management education that produces ethical, innovative and employable professionals who contribute to sustainable development of society.

1.4 Mission

- To provide industry-aligned, outcome-based education supported by qualified faculty and modern laboratories.
- To promote research, innovation and entrepreneurship among students and faculty.
- To build strong industry and academic partnerships that give students internships, projects and placement opportunities.
- To develop communication skills, leadership, teamwork and professional ethics in every student.
- To create an inclusive, safe and environmentally responsible campus that supports the well-being of all students.

Core values

Integrity, inclusiveness, excellence, curiosity, sustainability and service to society.

1.5 Location and How to Reach GIT

The college address is: Greenfield Institute of Technology, Greenfield Knowledge Park, Knowledge Park Road, Meadowvale, Greenfield District, PIN 600 999 (fictional address). The campus is on the Knowledge Park Road, about 5 km from Greenfield Town Railway Station and about 38 km from Meadowvale International Airport (both fictional).

From	How to reach	Approximate distance
Greenfield Town Railway Station	College bus route R11 (morning) or local auto-rickshaw/taxi	5 km
Meadowvale Central Bus Stand	College bus route R1, or city bus number 21G/45 to Greenfield Gate Market, then a 10 minute walk	6 km
Meadowvale International Airport	Prepaid taxi or airport shuttle to Meadowvale Central, then bus R1	38 km
Brookfield Station	College bus route R2	11 km

Google Maps location link, GPS coordinates and campus map file: NOT AVAILABLE in this document (the college is fictional). Visitors are welcome at the Admissions Office near the Main Gate. See Section 13 for visiting hours.

1.6 Campus Layout

Building / area	What it houses
A Block (Administrative and Computing)	Principal's office, administrative office, admissions office, accounts office, Computer Science and Engineering, Information Technology and Artificial Intelligence and Data Science departments
B Block (Electronics and Electrical)	Electronics and Communication Engineering, Electrical and Electronics Engineering, VLSI and Embedded labs
C Block (Core Engineering)	Mechanical Engineering and Civil Engineering departments, workshops and heavy laboratories
D Block (Sciences and Biomedical)	Biomedical Engineering, Science and Humanities (Physics, Chemistry, Mathematics, English), first-year classrooms
E Block (Management and Computing Centre)	MBA and MCA departments, seminar rooms, case-study room, computer centre
Knowledge Resource Centre	Central library, digital library, reading halls, discussion rooms
Innovation Hub	Incubation space, maker lab, entrepreneurship cell, project showcase area
Greenfield Auditorium	1,200 seat auditorium for convocation, fests and large events. A separate seminar hall seats 300.
Indoor Stadium and Sports Complex	Indoor courts, gymnasium, outdoor grounds and track
Green Plate Cafeteria and Food Court	Main cafeteria, coffee kiosk, juice stall, stationery and campus store
Health Centre	Medical room, observation beds, ambulance bay, counselling rooms

Building / area	What it houses
Hostels	Banyan Block and Cedar Block (boys), Lotus Block and Jasmine Block (girls), visitor lounges and mess halls

1.7 Departments at GIT

GIT has eleven academic departments. Each department is headed by a Head of Department (HoD). Names of the HoDs are fictional.

Department	Programs offered	Head of Department (fictional)	Faculty strength
Computer Science and Engineering (CSE)	B.E. CSE; M.E. CSE (Artificial Intelligence); Ph.D.	Dr. Karthik Subramanian	48
Information Technology (IT)	B.Tech IT	Dr. Priya Natarajan	30
Artificial Intelligence and Data Science (AI&DS)	B.Tech AI&DS	Dr. Arvind Menon	28
Electronics and Communication Engineering (ECE)	B.E. ECE; M.E. VLSI Design; Ph.D.	Dr. Lakshmi Narayanan	36
Electrical and Electronics Engineering (EEE)	B.E. EEE	Dr. Suresh Kumar Pillai	22
Mechanical Engineering	B.E. Mechanical; Ph.D.	Dr. Rajiv Chandrasekar	30
Civil Engineering	B.E. Civil; M.E. Structural Engineering	Dr. Farah Siddiqui	20
Biomedical Engineering (BME)	B.Tech Biomedical Engineering	Dr. Nandini Rao	16
Management Studies	MBA; Ph.D. (Management)	Dr. Harish Bhatia	18
Computer Applications	MCA	Dr. Sheela Thomas	12
Science and Humanities	First-year common courses: Mathematics, Physics, Chemistry, English, Environmental Science	Dr. Gopal Krishnamurthy	25

Total full-time faculty: 285 (48 + 30 + 28 + 36 + 22 + 30 + 20 + 16 + 18 + 12 + 25 = 285).

1.8 Leadership and Administration (fictional)

Position	Name	Responsibility
Chairman, Greenfield Education Trust	Mr. Devraj Malhotra	Chairs the Governing Council
Principal	Dr. Anand Raghunathan	Overall academic and administrative head
Vice Principal (Academics)	Dr. Kavitha Sundaram	Curriculum, academic audits, timetable
Controller of Examinations	Dr. Mohan Prakash	Examinations, results, revaluation
Dean (Admissions)	Prof. Revathi Balasubramanian	Admissions, counselling, scholarships
Dean (Student Affairs)	Dr. Vikram Desai	Discipline, clubs, welfare, grievances
Dean (Training and Placement)	Dr. Deepa Warrier	Placements, internships, career guidance
Dean (Research and Development)	Dr. Ibrahim Qureshi	Research, patents, funded projects
Chief Warden (Boys)	Mr. K. Prabhu	Boys' hostels Banyan and Cedar
Chief Warden (Girls)	Ms. Ananya Iyer	Girls' hostels Lotus and Jasmine
Transport Officer	Mr. T. Selvaraj	College buses and parking
Librarian	Ms. Gayathri Menon	Knowledge Resource Centre

1.9 Rankings and Recognition

Accreditation: Grade A+ by the fictional FAB (2023). Approval: NCTES (fictional). National or international ranking (for example any government ranking framework position): NOT AVAILABLE. GIT is a fictional institution and has no real ranking. If a student asks about rankings the chatbot should say that ranking information is not available in the knowledge base.

2. Courses, Specializations, Duration and Seats

Section 2 - All programs offered at Greenfield Institute of Technology: B.E., B.Tech, M.E., MBA, MCA, Ph.D., lateral entry, specializations, duration, intake and seat availability.

2.1 Undergraduate Programs (B.E. / B.Tech)

All undergraduate engineering programs run for 4 years (8 semesters) with 160 credits. The first year is common for all branches and covers foundation courses. Students study their own branch courses from the third semester. The academic year 2026-27 sanctioned intake and the lateral entry seats are shown below.

Program	Department	Duration	Regular intake (first year)	Lateral entry seats (second year)	Total seats incl. lateral
B.E. Computer Science and Engineering	Computer Science and Engineering	4 years (8 semesters)	180	18	198
B.Tech Information Technology	Information Technology	4 years (8 semesters)	120	12	132
B.Tech Artificial Intelligence and Data Science	Artificial Intelligence and Data Science	4 years (8 semesters)	120	12	132
B.E. Electronics and Communication Engineering	Electronics and Communication Engineering	4 years (8 semesters)	120	12	132
B.E. Electrical and Electronics Engineering	Electrical and Electronics Engineering	4 years (8 semesters)	60	6	66
B.E. Mechanical Engineering	Mechanical Engineering	4 years (8 semesters)	90	9	99
B.E. Civil Engineering	Civil Engineering	4 years (8 semesters)	60	6	66
B.Tech Biomedical Engineering	Biomedical Engineering	4 years (8 semesters)	60	6	66

Total regular undergraduate intake is 810 seats. Total lateral entry seats are 81 (10 percent of the sanctioned intake of each program, rounded). So the complete undergraduate seat capacity is 891 seats.

Seat distribution by admission quota (regular first-year seats)

Seats in every undergraduate program are divided as follows: 50 percent Counselling Quota (filled through state counselling or the GIT counselling process using JEE Main, GIT-CET or Class 12 merit), 40 percent Management Quota and 10 percent NRI/Foreign National Quota.

Program	Total intake	Counselling quota (50%)	Management quota (40%)	NRI quota (10%)
B.E. Computer Science and Engineering	180	90	72	18
B.Tech Information Technology	120	60	48	12
B.Tech Artificial Intelligence and Data Science	120	60	48	12
B.E. Electronics and Communication Engineering	120	60	48	12
B.E. Electrical and Electronics Engineering	60	30	24	6
B.E. Mechanical Engineering	90	45	36	9
B.E. Civil Engineering	60	30	24	6
B.Tech Biomedical Engineering	60	30	24	6

2.2 Specializations (Elective Tracks) in Undergraduate Programs

Students choose one elective track at the beginning of the fifth semester. Tracks are offered subject to a minimum of 20 students. A track appears on the student's grade card as a specialization. Students may also complete an Honours or Minor degree (see Section 9.12).

Program	Specialization tracks offered
B.E. CSE	Artificial Intelligence and Machine Learning; Cyber Security; Cloud Computing; Data Science
B.Tech IT	Full-Stack and Web Engineering; Information Security; Internet of Things; Cloud and DevOps
B.Tech AI&DS	Deep Learning and Computer Vision; Natural Language Processing; Big Data Analytics; Robotics and Intelligent Systems
B.E. ECE	VLSI Design; Embedded Systems; Wireless and Communication Systems; Signal and Image Processing
B.E. EEE	Power Systems; Electric Vehicle Technology; Smart Grid and Renewable Energy; Industrial Automation
B.E. Mechanical	Robotics and Automation; Thermal Engineering; Advanced Manufacturing; Automotive Engineering
B.E. Civil	Structural Engineering; Environmental Engineering; Transportation Engineering; Construction Management
B.Tech Biomedical	Medical Instrumentation; Medical Imaging and Signal Processing; Biomechanics and Rehabilitation Engineering

2.3 Postgraduate Programs

Program	Department	Duration	Intake 2026-27
M.E. Computer Science and Engineering (Artificial Intelligence)	Computer Science and Engineering	2 years (4 semesters)	18
M.E. VLSI Design	Electronics and Communication Engineering	2 years (4 semesters)	18
M.E. Structural Engineering	Civil Engineering	2 years (4 semesters)	18
Master of Business Administration (MBA)	Management Studies	2 years (4 semesters)	120
Master of Computer Applications (MCA)	Computer Applications	2 years (4 semesters)	60

Total postgraduate intake is 234 seats (18 + 18 + 18 + 120 + 60).

Postgraduate specializations

Program	Specializations / areas
M.E. CSE (Artificial Intelligence)	Machine Learning, Deep Learning, Natural Language Processing, Computer Vision
M.E. VLSI Design	Digital IC design, Analog and mixed signal design, Verification and testing
M.E. Structural Engineering	Earthquake-resistant design, Advanced concrete technology, Steel structures
MBA	Finance, Marketing, Human Resource Management, Business Analytics (choose two in the second year: one major and one minor)
MCA	Software Development, Data Science, Cloud and Cyber Security (choose in the third semester)

2.4 Doctoral Program (Ph.D.)

GIT offers full-time and part-time Ph.D. programs in Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering and Management Studies through its recognised research centres. Minimum duration is 3 years for full-time and 4 years for part-time scholars. The number of Ph.D. seats each year is NOT SPECIFIED because it depends on the availability of supervisors. Candidates should contact the Dean (Research and Development). Eligibility is given in Section 3.5.

2.5 Total Intake Summary

Level	Programs	Sanctioned seats 2026-27
Undergraduate (regular)	8 programs	810
Undergraduate (lateral entry)	8 programs	81
Postgraduate	5 programs	234
Total regular intake (UG + PG)	13 programs	1044

2.6 Seat Availability (Vacancy Status)

The following is an illustrative vacancy snapshot for the 2026-27 intake as on 1 October 2026. Regular admission for 2026-27 closed on 15 September 2026. Remaining vacancies can be filled only through the spot admission/management channel while seats remain, and only if the student meets the eligibility criteria. Seat status changes daily; always confirm with the Admissions Office.

Program	Sanctioned intake	Seats filled	Seats vacant	Status
B.E. Computer Science and Engineering	180	180	0	Full
B.Tech Information Technology	120	120	0	Full
B.Tech Artificial Intelligence and Data Science	120	120	0	Full
B.E. Electronics and Communication Engineering	120	114	6	Open
B.E. Electrical and Electronics Engineering	60	46	14	Open
B.E. Mechanical Engineering	90	79	11	Open
B.E. Civil Engineering	60	51	9	Open
B.Tech Biomedical Engineering	60	57	3	Open
M.E. Computer Science and Engineering (Artificial Intelligence)	18	16	2	Open
M.E. VLSI Design	18	13	5	Open
M.E. Structural Engineering	18	9	9	Open
Master of Business Administration (MBA)	120	113	7	Open
Master of Computer Applications (MCA)	60	56	4	Open

For the 2027-28 admission cycle the expected intake is the same as 2026-27, subject to approval by the regulator. Final intake for 2027-28 is NOT AVAILABLE until it is notified in February 2027.

2.7 Common First-Year Curriculum (All Engineering Branches)

Semester 1	Semester 2
Engineering Mathematics I (Calculus and Linear Algebra)	Engineering Mathematics II (Differential Equations and Transforms)
Engineering Physics	Applied Physics / Materials Science
Engineering Chemistry	Environmental Science and Sustainability
Problem Solving and Programming in Python	Programming in C and Data Structures Basics
Communicative English and Technical Writing	Professional English and Soft Skills
Engineering Graphics and Design	Basic Electrical and Electronics Engineering
Physics and Chemistry Laboratory	Programming Laboratory and Workshop Practice
Induction program, NSS/NCC/Yoga (non-credit)	Design Thinking and Innovation Lab, NSS/NCC/Yoga (non-credit)

2.8 Sample Curriculum: B.E. Computer Science and Engineering (Semesters 3 to 8)

Semester	Core courses
3	Discrete Mathematics; Data Structures; Digital Principles and Computer Organization; Object-Oriented Programming; Database Management Systems; Data Structures Lab; DBMS Lab
4	Probability and Statistics; Design and Analysis of Algorithms; Operating Systems; Computer Networks; Software Engineering; Operating Systems Lab; Networks Lab
5	Theory of Computation; Machine Learning; Compiler Design; Web Technologies; Professional Elective I; Open Elective I; ML Lab; Web Technologies Lab
6	Artificial Intelligence; Cloud Computing; Information Security; Professional Elective II and III; Mini Project; Industry Internship (4 weeks)
7	Big Data Analytics; Professional Elective IV and V; Open Elective II; Project Work Phase I; Professional Ethics
8	Project Work Phase II (or 6-month industry internship in lieu of electives); Professional Elective VI; Comprehensive Viva-Voce

Curricula of other programs follow the same credit structure of 160 credits for UG programs. Detailed syllabi of every course (unit-wise topics, textbooks and reference books) are available on the GIT Connect student portal and from the respective department office. They are NOT reproduced in this document.

2.9 Program Duration Summary

Program type	Normal duration	Maximum duration allowed
B.E. / B.Tech (regular entry)	4 years (8 semesters)	7 years
B.E. / B.Tech (lateral entry)	3 years (6 semesters)	6 years
M.E.	2 years (4 semesters)	4 years
MBA	2 years (4 semesters)	4 years
MCA	2 years (4 semesters)	4 years
Ph.D. (full-time)	Minimum 3 years	6 years
Ph.D. (part-time)	Minimum 4 years	7 years

3. Admissions

Section 3 - Admission procedure at Greenfield Institute of Technology: eligibility, entrance exams (GIT-CET, JEE Main), application steps, important dates for the 2027-28 cycle, required documents, selection and counselling.

3.1 Admission Overview

Admission to Greenfield Institute of Technology is based on merit. Undergraduate candidates may apply with a valid JEE Main score, a GIT Common Entrance Test (GIT-CET) score, or through state engineering counselling for Counselling Quota seats. Management Quota and NRI Quota seats are filled by GIT directly. Postgraduate candidates apply with a valid entrance score (GATE, state-level PG entrance, CAT, MAT, CMAT, or GIT-MAT for MBA; and GIT-CET (PG) or a state-level MCA entrance for MCA). There is no capitation fee at GIT. Candidates should not pay any amount to any agent or individual. All payments must be made only through the official GIT portal or the college accounts office.

3.2 Eligibility Criteria

Program	Minimum educational qualification	Minimum marks
B.E. / B.Tech (first year)	Passed Class 12 (10+2) or equivalent with Physics and Mathematics as compulsory subjects, and one of Chemistry, Computer Science, Electronics, Biology or Biotechnology	50% aggregate in Physics, Chemistry/optional subject and Mathematics (45% for SC/ST/BC/MBC and differently-abled candidates)
B.Tech Biomedical Engineering	As above; Biology is also accepted in place of Chemistry	As above
Lateral entry to second year	3-year Diploma in Engineering/Technology in a relevant discipline from a recognised board, OR B.Sc. (3-year) with Mathematics as a subject in Class 12 (with bridge courses)	50% aggregate in the diploma/degree (45% for reserved categories)
M.E. programs	B.E./B.Tech in a relevant discipline from a recognised university	55% aggregate (50% for reserved categories); valid GATE or state PG entrance score preferred
MBA	Bachelor's degree in any discipline (3 or 4 years) from a recognised university	50% aggregate (45% for reserved categories) and a valid CAT/MAT/CMAT/GIT-MAT score
MCA	Bachelor's degree (BCA, B.Sc., B.Com, B.A., B.E., B.Tech) with Mathematics studied at Class 12 or at graduate level	50% aggregate (45% for reserved categories) and a valid entrance score
Ph.D.	Master's degree (M.E./M.Tech/MBA/MCA/M.Sc.) in a relevant area	60% aggregate (55% for reserved categories); pass in GIT Research Entrance Test and interview

- Age limit: candidates must have completed 17 years of age on 31 December of the year of admission for UG programs. There is no upper age limit.
- Final-year students awaiting results may apply provisionally; they must submit the final mark sheet before 31 August 2027.
- Students from CBSE, ICSE, State boards, International Baccalaureate (IB) and other recognised boards are eligible. Equivalence certificates are required for foreign boards.
- Gap years are accepted. A gap-year declaration/affidavit must be submitted.

3.3 Entrance Examinations

GIT Common Entrance Test (GIT-CET) for UG admission

Feature	Details
Mode	Computer-based test (online), conducted at GIT campus and four partner centres in Meadowvale, Brookfield, Riverbend and Lakeside (fictional)
Dates for 2027-28 cycle	24 April 2027 (Saturday) and 25 April 2027 (Sunday). Candidates choose one slot while registering.
Duration	120 minutes

Feature	Details
Number of questions	100 multiple-choice questions: Mathematics 50, Physics 25, Chemistry 25 (Biology/Computer Science may replace Chemistry for specific programs)
Marking scheme	+1 mark for every correct answer, -0.25 mark for every wrong answer, no deduction for unanswered questions
Syllabus	Class 11 and Class 12 Mathematics, Physics and Chemistry (as per the national board syllabus)
Registration fee	Rs. 800 (Rs. 400 for SC/ST candidates). Fee is non-refundable.
Hall ticket	Available for download from the GIT admissions portal from 10 April 2027
Result	Declared on 10 May 2027 on the portal; scorecard is valid for the 2027-28 admission only
Items allowed in exam	Hall ticket and a valid photo ID only. Calculators, mobiles, smart watches and notes are not allowed.

Other accepted entrance scores

- JEE Main: accepted for B.E./B.Tech Counselling Quota and Management Quota. Candidates must upload the scorecard.
- State engineering counselling rank: accepted for the Counselling Quota seats (50 percent of seats). Candidates allotted GIT through state counselling must report to GIT within the dates given in the allotment order.
- GATE or state-level PG entrance: accepted for M.E. programs.
- CAT, MAT, CMAT or GIT-MAT: accepted for MBA. GIT-MAT is held on 22 May 2027.
- GIT-CET (PG) or a state-level MCA entrance test: accepted for MCA. GIT-CET (PG) is held on 29 May 2027.
- Lateral entry: no entrance test is needed; admission is based on diploma/degree marks and a counselling interview.

3.4 Selection Process and Merit Calculation

- Counselling Quota (50%): rank list as per the state counselling authority, or the GIT merit index if GIT conducts counselling.
- Management Quota (40%): GIT Merit Index = 60 percent of Class 12 Physics-Chemistry-Mathematics percentage + 40 percent of entrance score percentile (JEE Main or GIT-CET). Ties are broken by Mathematics marks and then by date of birth (older candidate first).
- NRI/Foreign National Quota (10%): based on Class 12 marks (or equivalent) and a short online interview. Passport and visa documents are required from foreign nationals; detailed visa guidance is NOT AVAILABLE in this document.
- Postgraduate: entrance score (70%) and personal interview (30%). For MBA a group discussion is also conducted.
- Reservation: seats are reserved as per the government rules (the percentage details for each category are NOT SPECIFIED in this document and follow the state government order in force each year).

3.5 Eligibility for Ph.D. Admission

Ph.D. applicants apply twice a year (January and July). Selected candidates are registered with GSTU. Applications are submitted with a research proposal of 1,000 words, copies of qualifying degree certificates and two reference letters. Tuition for Ph.D. scholars: NOT SPECIFIED; it depends on whether the candidate is full-time with a fellowship or part-time. Contact the Research and Development office (rnd@greenfield-it.example).

3.6 Application Steps (Online)

Step	What the applicant does	Details
1	Register on the GIT admissions portal	Go to the portal (www.greenfield-it.example/admissions, fictional). Enter name, email, mobile number; verify with OTP.
2	Fill the application form	Personal details, academic details, program choices (up to three programs in order of preference), quota, hostel and transport interest.

Step	What the applicant does	Details
3	Upload documents	Scan and upload photograph, signature and documents (see Section 3.8). Each file must be a PDF or JPG below 500 KB.
4	Pay the application fee	Rs. 800 (Rs. 400 for SC/ST) through UPI, debit card, credit card or net banking. For GIT-CET the application fee covers the test registration.
5	Download the application acknowledgement and hall ticket	Hall ticket for GIT-CET is released on 10 April 2027.
6	Appear for GIT-CET (or submit a valid JEE Main/state counselling rank)	Exam on 24 and 25 April 2027.
7	Check merit list and counselling schedule	Published on the portal. SMS and email alerts are sent.
8	Attend counselling / receive offer	Online or on campus; choose program as per rank. Offer letter is issued.
9	Document verification	Original documents are verified at the Admissions Office.
10	Pay fees and confirm admission	Within 7 days of the offer. See Section 4 for fee details.
11	Collect admission order, ID card and hostel/transport forms	Issued after fee payment.
12	Attend induction program and begin classes	Induction from 26 July 2027; classes begin on 2 August 2027.

Application can also be submitted offline at the Admissions Office using a printed form (Rs. 800 by demand draft or cash at the counter), but online application is strongly recommended.

3.7 Important Dates: Admission Cycle 2027-28 (fictional)

Event	Date
Admission brochure released and online applications open	1 February 2027
Last date to register for GIT-CET	31 March 2027
GIT-CET hall ticket download	10 April 2027
Campus Open House Day	17 April 2027
GIT-CET (UG) examination	24 and 25 April 2027
GIT-CET result and rank list	10 May 2027
Management Quota merit list 1	24 May 2027
GIT-MAT (MBA) exam	22 May 2027
GIT-CET (PG) for MCA and M.E.	29 May 2027
Last date to confirm admission and pay fees for merit list 1	7 June 2027
Merit list 2	14 June 2027
Last date for applications (all UG, PG programs)	30 June 2027
Merit list 3 and spot admission	5 July 2027
Lateral entry counselling	12 July 2027
Last date for fee payment (all categories)	20 July 2027
Last date for admission cancellation with refund (see Section 4.9)	31 July 2027 (90% tuition refund) and 31 August 2027 (50% refund)
Induction/orientation program for first-year students	26 to 31 July 2027
First-year classes begin	2 August 2027

Dates for state engineering counselling are announced by the state authority and are NOT SPECIFIED in this document. Candidates allotted GIT through state counselling should follow the date in their allotment order.

Current-year (2026-27) admissions: regular admissions closed on 15 September 2026 and lateral entry closed on 30 September 2026. Classes for 2026-27 began on 3 August 2026.

3.8 Documents Required for Admission

Undergraduate (first year)

- Class 10 mark sheet and certificate (original and 2 photocopies)
- Class 12 mark sheet (original and 2 photocopies)
- Transfer Certificate (TC) from the school last attended (original)
- Conduct Certificate (original)
- Migration certificate (for students from boards other than the state board; original)
- Entrance scorecard (JEE Main or GIT-CET) or state counselling allotment order
- Community certificate (for reserved category candidates; original)
- First-graduate certificate (if applying for the first-graduate concession)
- Income certificate (if applying for need-based assistance)
- Aadhaar card or other government photo ID (photocopy)
- Medical fitness certificate (from a registered medical practitioner)
- Gap-year declaration (if applicable)
- 8 recent passport-size colour photographs
- Passport and visa copies (NRI/foreign national candidates)

Lateral entry

All items above (as applicable) plus diploma mark sheets of all semesters, diploma/degree provisional or final certificate and a 3-year diploma course completion certificate.

Postgraduate

Degree certificate (provisional is accepted until 31 August), mark sheets of all semesters, Class 10 and 12 mark sheets, transfer and conduct certificates, entrance scorecard, community certificate, ID proof, 6 photographs. Work-experience certificate for MBA applicants is optional.

Original certificates retained by GIT: Transfer Certificate and Migration Certificate. Other original documents are verified and returned on the same day.

3.9 Admission Confirmation and Offer Validity

- Offers must be accepted by paying the admission fee and the first installment within 7 days of the offer date.
- If fee is not paid within 7 days the offer lapses and the seat is given to the next candidate on the list.
- Admission is provisional until certificate verification is complete. Admission can be cancelled if documents are found to be false.
- Candidates may upgrade to a different program in a later merit list if seats are available. The fee paid is adjusted.

3.10 Special Categories

- Sports quota: up to 5 percent of Management Quota seats are reserved for state-level/national-level sports achievers (certificate required).
- Differently-abled candidates: 5 percent of seats in each program are earmarked for candidates with benchmark disabilities (40 percent or above). Assistive support is described in Section 7.12.
- Wards of defence personnel and ex-servicemen: special concession described in Section 5.
- International students: apply under the NRI/Foreign National quota. Accommodation in the hostel is available if seats remain.

3.11 Counselling and Campus Visit

Prospective students can visit the campus Monday to Saturday. Guided campus tours start at 10:00 AM and 3:00 PM (book one day earlier by phone or the enquiry form). Campus Open House Day is on 17 April 2027, 9:00 AM to 4:00 PM. Parents can meet the Dean (Admissions) and department heads on that day.

4. Fee Structure

Section 4 - Complete fee details at Greenfield Institute of Technology (fictional): tuition, admission, examination, laboratory, library, hostel, transport and other charges for UG and PG programs, installments, late fee and refunds. All amounts in Rs. (INR) per academic year unless stated.

4.1 Fee Overview

GIT fees consist of (a) one-time fees paid at admission, (b) yearly tuition fee that depends on the program and admission quota, and (c) other yearly fees that are the same for all students of a level. Hostel and transport fees are optional and charged separately. Fees listed are for the 2026-27 academic year. Fees for 2027-28 are the same unless the Governing Council announces a revision (not guaranteed; any revision is announced by 31 March 2027 and is not expected to exceed 5 percent). There is no capitation fee.

4.2 One-Time Fees (Paid at Admission, UG and PG)

Fee	Amount (Rs.)	Refundable?	Notes
Application / registration fee	800 (400 for SC/ST)	No	Paid while applying, not part of the amounts below
Admission fee	10,000	No	One-time, paid at admission
Caution deposit	5,000	Yes	Refunded on course completion or withdrawal, within 30 days, if no dues
University enrolment and affiliation fee	3,500	No	Paid once for registration with GSTU
ID card and student portal fee	500	No	Includes RFID ID card and GIT Connect portal login
Total one-time fees (excluding application fee)	19,000	Rs. 5,000 refundable	

4.3 Other Yearly Fees (Common to All UG and PG Students)

Fee head	Amount per year (Rs.)	What it covers
Development fee	12,000	Campus maintenance, infrastructure, smart classrooms, equipment upgrades
Library fee	3,000	Access to Knowledge Resource Centre, books, journals and digital library
Student activity and sports fee	2,000	Clubs, sports facilities, gym, cultural events, fests
Wi-Fi and IT infrastructure fee	2,500	Campus and hostel Wi-Fi, computer centre, software licences
Student insurance and medical fee	1,000	Group accident and hospitalisation insurance (up to Rs. 1,00,000 cover) and Health Centre services
Training and career development fee	5,000	Aptitude, soft-skill and technical training, mock interviews, placement activities
Examination fee (UG)	2,500 per semester (Rs. 5,000 per year)	Regular semester examinations, hall tickets, mark statements
Examination fee (PG)	3,000 per semester (Rs. 6,000 per year)	Regular semester examinations, hall tickets, mark statements
Total common yearly fees (excluding exam fee)	25,500	Development + library + activity + Wi-Fi + insurance + training

4.4 Undergraduate Tuition and Laboratory Fees by Program and Quota

Laboratory fee is charged per year. The laboratory fee is Rs. 8,000 for CSE, IT and AI&DS and Rs. 10,000 for ECE, EEE, Mechanical, Civil and Biomedical Engineering.

Program	Tuition: Counselling quota (Rs./year)	Tuition: Management quota (Rs./year)	Tuition: NRI quota (Rs./year)	Laboratory fee (Rs./year)
B.E. Computer Science and Engineering	85,000	1,60,000	2,50,000	8,000
B.Tech Information Technology	85,000	1,60,000	2,50,000	8,000
B.Tech Artificial Intelligence and Data Science	85,000	1,60,000	2,50,000	8,000
B.E. Electronics and Communication Engineering	85,000	1,40,000	2,50,000	10,000
B.E. Electrical and Electronics Engineering	75,000	1,20,000	2,50,000	10,000
B.E. Mechanical Engineering	75,000	1,20,000	2,50,000	10,000
B.E. Civil Engineering	75,000	1,20,000	2,50,000	10,000
B.Tech Biomedical Engineering	75,000	1,20,000	2,50,000	10,000

Tuition fee statements for quick reference

The tuition fee for B.E. Computer Science and Engineering at GIT is Rs. 85,000 per year under the Counselling Quota, Rs. 1,60,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 8,000 per year.

The tuition fee for B.Tech Information Technology at GIT is Rs. 85,000 per year under the Counselling Quota, Rs. 1,60,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 8,000 per year.

The tuition fee for B.Tech Artificial Intelligence and Data Science at GIT is Rs. 85,000 per year under the Counselling Quota, Rs. 1,60,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 8,000 per year.

The tuition fee for B.E. Electronics and Communication Engineering at GIT is Rs. 85,000 per year under the Counselling Quota, Rs. 1,40,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 10,000 per year.

The tuition fee for B.E. Electrical and Electronics Engineering at GIT is Rs. 75,000 per year under the Counselling Quota, Rs. 1,20,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 10,000 per year.

The tuition fee for B.E. Mechanical Engineering at GIT is Rs. 75,000 per year under the Counselling Quota, Rs. 1,20,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 10,000 per year.

The tuition fee for B.E. Civil Engineering at GIT is Rs. 75,000 per year under the Counselling Quota, Rs. 1,20,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 10,000 per year.

The tuition fee for B.Tech Biomedical Engineering at GIT is Rs. 75,000 per year under the Counselling Quota, Rs. 1,20,000 per year under the Management Quota and Rs. 2,50,000 per year under the NRI Quota. The laboratory fee is Rs. 10,000 per year.

4.5 Total Yearly Fee by Program (Undergraduate)

Total recurring fee per year = tuition + laboratory fee + common yearly fees (Rs. 25,500) + examination fee for two semesters (Rs. 5,000). First-year total = recurring fee + one-time fees (Rs. 19,000). Hostel and transport are not included.

Program	Counselling quota: yearly	Counselling quota: first year	Mgmt quota: yearly	Mgmt quota: first year	NRI quota: yearly	NRI quota: first year
B.E. Computer Science and Engineering	1,23,500	1,42,500	1,98,500	2,17,500	2,88,500	3,07,500
B.Tech Information Technology	1,23,500	1,42,500	1,98,500	2,17,500	2,88,500	3,07,500
B.Tech Artificial Intelligence and Data Science	1,23,500	1,42,500	1,98,500	2,17,500	2,88,500	3,07,500
B.E. Electronics and Communication Engineering	1,25,500	1,44,500	1,80,500	1,99,500	2,90,500	3,09,500
B.E. Electrical and Electronics Engineering	1,15,500	1,34,500	1,60,500	1,79,500	2,90,500	3,09,500
B.E. Mechanical Engineering	1,15,500	1,34,500	1,60,500	1,79,500	2,90,500	3,09,500
B.E. Civil Engineering	1,15,500	1,34,500	1,60,500	1,79,500	2,90,500	3,09,500
B.Tech Biomedical Engineering	1,15,500	1,34,500	1,60,500	1,79,500	2,90,500	3,09,500

Fee breakdown example: B.E. CSE, Counselling Quota, first year

Component	Amount (Rs.)
Tuition fee	85,000
Laboratory fee	8,000
Development fee	12,000
Library fee	3,000
Student activity and sports fee	2,000
Wi-Fi and IT fee	2,500
Insurance and medical fee	1,000
Training and career development fee	5,000
Examination fee (2 semesters)	5,000
Recurring yearly total	1,23,500
One-time fees (admission 10,000 + caution deposit 5,000 + enrolment 3,500 + ID card 500)	19,000
First-year total payable (without hostel and transport)	1,42,500

For the same student, the fee in the second, third and fourth year is Rs. 1,23,500 per year (the one-time fees are not charged again; the caution deposit is refunded at the end of the course).

Total four-year cost estimate for B.E. CSE under the Counselling Quota (without hostel and transport, assuming no fee revision): Rs. 5,13,000.

Total four-year cost estimate for B.E. CSE under the Management Quota (without hostel and transport): Rs. 8,13,000.

4.6 Postgraduate Fees

Program	Tuition (Rs./year)	Laboratory fee (Rs./year)	Total yearly fee (Rs.)	First-year total with one-time fees (Rs.)
M.E. Computer Science and Engineering (Artificial Intelligence)	70,000	12,000	1,13,500	1,32,500
M.E. VLSI Design	70,000	12,000	1,13,500	1,32,500
M.E. Structural Engineering	70,000	12,000	1,13,500	1,32,500
Master of Business Administration (MBA)	1,10,000	Not applicable	1,41,500	1,60,500
Master of Computer Applications (MCA)	90,000	8,000	1,29,500	1,48,500

PG yearly total = tuition + laboratory fee + common yearly fees (Rs. 25,500) + PG examination fee for two semesters (Rs. 6,000). Postgraduate fees are the same for all quotas. Total two-year MBA fee: Rs. 3,02,000 (first year Rs. 1,60,500, second year Rs. 1,41,500). Total two-year MCA fee: Rs. 2,78,000.

4.7 Lateral Entry Students

Lateral entry students pay the same tuition, laboratory and other yearly fees as the regular students of the same program and quota from the second year. A lateral entry student pays the one-time fees once (Rs. 19,000) at admission. Lateral entry seats follow the Counselling Quota tuition fee unless admitted under the Management Quota.

4.8 Payment Schedule, Mode and Late Fee

- First-year students: pay all one-time fees and 60 percent of the yearly recurring fees within 7 days of the offer letter. The remaining 40 percent is due by 15 January.
- Continuing students: 60 percent of the yearly recurring fees is due by 25 July and 40 percent by 15 January.
- Payment modes: UPI, debit card, credit card and net banking through the GIT Connect portal; demand draft in favour of 'Greenfield Institute of Technology' payable at Meadowvale; or cash/card at the Accounts Office (A Block, ground floor). Cheques are not accepted.
- Fee receipts are generated instantly on the portal and can be downloaded. A duplicate paper receipt costs Rs. 100.
- Late fee: Rs. 100 per day after the due date, up to a maximum of Rs. 5,000. If fees remain unpaid 30 days after the due date, the student may be barred from classes and examinations until the dues are cleared.
- Education loan students: a bank sanction letter is accepted for 60 days as proof of payment in process.
- Cancelled or bounced online payments: refunded to the source account within 7 working days.

4.9 Refund and Cancellation Policy

Date of written withdrawal request	Refund of tuition fee paid	Other fees
On or before 31 July of the admission year	90 percent of tuition fee	Application fee, admission fee and enrolment fee are not refunded. Caution deposit is refunded in full. Other yearly fees refunded in full.
1 August to 31 August	50 percent of tuition fee	As above; yearly fees other than tuition are not refunded.
From 1 September onwards	No refund	Only the caution deposit is refunded.

If a student withdraws on government/state counselling instructions or fails to get a visa (documents required to be submitted), the full tuition fee less Rs. 10,000 processing charge is refunded. Refund requests are made at the Accounts Office and processed within 30 working days to the bank account of the payer. Hostel fee refund rules are given in Section 6.9 and transport fee refund rules in Section 11.5.

4.10 Fees for Examinations, Certificates and Miscellaneous Services

Item	Fee (Rs.)
Arrear/supplementary exam fee, per paper	500 (maximum Rs. 3,000 per semester)
Revaluation, per paper	800
Retotalling, per paper	200
Photocopy of answer script, per paper	300
Attendance condonation fee, per course (see Section 9.3)	500
Duplicate ID card	300
Duplicate mark sheet / grade card	300
Provisional certificate	500
Transcript (per copy)	500
Bonafide certificate	50
Conduct certificate	100
Study certificate for loan/passport	100

Item	Fee (Rs.)
Transfer certificate at course completion	Free
Transfer certificate before course completion	500
Library fine for late return, per book per day	2
Two-wheeler parking permit, per year	600
Four-wheeler parking permit, per year (final-year and PG students only)	1,500
Lost library book	Cost of the book + 20 percent processing charge
Replacement of lost hostel key	250
Name or date of birth correction in records	200

4.11 Hostel and Transport Fees in Brief

Hostel fees are described fully in Section 6.5 and transport fees in Section 11.4. Summary: hostel room rent ranges from Rs. 45,000 to Rs. 95,000 per year depending on room type, mess fee is Rs. 45,000 per year and bus fee ranges from Rs. 32,000 to Rs. 50,000 per year depending on distance.

4.12 Fee Comparison Summary (Counselling Quota, First Year)

Program	First-year total (tuition + all fees, no hostel/transport)
B.E. Computer Science and Engineering	Rs. 1,42,500
B.Tech Information Technology	Rs. 1,42,500
B.Tech Artificial Intelligence and Data Science	Rs. 1,42,500
B.E. Electronics and Communication Engineering	Rs. 1,44,500
B.E. Electrical and Electronics Engineering	Rs. 1,34,500
B.E. Mechanical Engineering	Rs. 1,34,500
B.E. Civil Engineering	Rs. 1,34,500
B.Tech Biomedical Engineering	Rs. 1,34,500
M.E. Computer Science and Engineering (Artificial Intelligence) (all quotas)	Rs. 1,32,500
M.E. VLSI Design (all quotas)	Rs. 1,32,500
M.E. Structural Engineering (all quotas)	Rs. 1,32,500
Master of Business Administration (MBA) (all quotas)	Rs. 1,60,500
Master of Computer Applications (MCA) (all quotas)	Rs. 1,48,500

5. Scholarships and Financial Assistance

Section 5 - Scholarships, fee concessions, need-based aid, government scholarships, education loans and work-study at Greenfield Institute of Technology (fictional): eligibility, amounts, renewal and application procedure.

5.1 Overview

GIT offers merit-based and need-based scholarships and fee concessions funded by the Greenfield Education Trust. The Dean (Admissions) manages first-year scholarships, and the Scholarship Committee reviews renewals each year. Scholarships apply to tuition fee only unless stated. A student can receive only one institutional scholarship at a time, except the sibling concession and government scholarships, which can be combined.

5.2 Institutional Scholarships

Scholarship	Eligibility	Benefit	Seats
Founder's Merit Scholarship (Level 1)	Class 12 aggregate in Physics, Chemistry and Mathematics of 95% or above, or GIT-CET/JEE Main score in the top 1%	100% tuition waiver in the first year	10 per year
Founder's Merit Scholarship (Level 2)	Class 12 PCM aggregate of 90% to 94.99%	50% tuition waiver in the first year	20 per year
Founder's Merit Scholarship (Level 3)	Class 12 PCM aggregate of 85% to 89.99%	25% tuition waiver in the first year	40 per year
Academic Excellence Award (continuing students)	CGPA of 9.0 or above in the previous academic year, no arrears, attendance 85% or above	Rs. 15,000 per year	Top 3 students per department
Sports Excellence Scholarship	National-level medalist: 100% tuition waiver; state-level medalist: 50% tuition waiver; district-level: 25%. Certificate and trials required	As stated, renewed yearly with performance	Up to 15 per year
Need-based Fee Concession (Tier A)	Annual family income up to Rs. 3,00,000 with income certificate	Rs. 30,000 per year	Up to 60 per year
Need-based Fee Concession (Tier B)	Annual family income above Rs. 3,00,000 and up to Rs. 5,00,000	Rs. 15,000 per year	Up to 80 per year
First-Graduate Concession	First person in the family to attend a degree program (certificate required)	Rs. 10,000 per year	No fixed limit
Defence Wards Scholarship	Children of serving, retired or martyred defence personnel. Wards of martyred or disabled-in-service personnel: 50% tuition waiver. Others: Rs. 10,000 per year	As stated	No fixed limit
Differently-Abled Students Scholarship	Disability of 40% or above (certificate required)	25% tuition waiver	No fixed limit
Sibling Concession	Two siblings studying at GIT in the same year	Rs. 10,000 per year for the younger sibling	No fixed limit
Girl Student in Core Engineering Award	Women students in Mechanical, Civil, EEE (Class 12 PCM 80% or above)	Rs. 10,000 first-year concession	Up to 20 per year

Renewal conditions

- Founder's Merit Scholarship: continued in the second, third and fourth years only if the student secures a CGPA of 8.5 or above and attendance of 85% or above each year with no arrears.
- Need-based concession: renewed each year with a fresh income certificate and a CGPA of 6.0 or above with no more than 2 arrears.
- Sports scholarship: renewed if the student represents GIT in at least two inter-college events a year and attendance is 75% or above.
- A scholarship is cancelled if the student is found guilty of disciplinary or ragging offences, or false documents.

Example

A student scoring 96 percent in Physics, Chemistry and Mathematics in Class 12 and joining B.E. CSE under the Counselling Quota (tuition Rs. 85,000) gets a 100 percent tuition waiver in the first year. The student still pays the laboratory fee and other yearly fees. Recurring fee for the first year becomes Rs. 38,500 (instead of Rs. 1,23,500) plus one-time fees of Rs. 19,000.

5.3 How to Apply for Institutional Scholarships

Scholarship type	How to apply	Deadline
Founder's Merit (first year)	Tick the scholarship option in the online admission form and upload the Class 12 mark sheet. No separate form. Awarded automatically after merit check.	30 June 2027
Sports Excellence	Submit sports certificates through the application form and attend trials on the date notified.	30 June 2027 (trials on 5 July 2027)
Need-based and first-graduate concessions	Apply on GIT Connect portal under Scholarships; upload income and first-graduate certificates; the Scholarship Committee interviews shortlisted students.	31 August every year
Academic Excellence Award	No application needed. Based on results published in the portal.	Awarded in October
Defence, differently-abled, sibling	Submit the certificate at the Admissions Office or upload on the portal.	31 August every year

Results of the need-based scholarship committee are announced on the portal within 30 days of the deadline. The concession is adjusted in the second installment (January).

5.4 Government and External Scholarships

GIT students from eligible categories can apply for government scholarships such as post-matric scholarships for SC/ST/OBC/minority students, central and state merit scholarships and fee reimbursement schemes through the relevant national or state scholarship portals. The Scholarship Cell at GIT helps students with online applications, certificate verification and forwarding to the government. The amount, income limits and dates of government schemes are decided by the government and are NOT SPECIFIED in this document. Students must keep paying fees at GIT and the reimbursement is credited by the government as per their rules. Where the government pays tuition directly to the college, GIT adjusts the amount against the student's account.

Corporate and alumni scholarships: GIT Alumni Association awards 10 scholarships of Rs. 25,000 each annually to meritorious students from low-income families. Applications are invited in September. Names of corporate scholarship sponsors are NOT AVAILABLE.

5.5 Education Loans

- GIT has tie-ups with two partner banks (fictional): Meadowvale National Bank and Greenfield Cooperative Bank. Branches operate help desks on campus every Tuesday from 10:00 AM to 1:00 PM during June, July and August.
- Typical documents: admission letter, fee structure (available from the Accounts Office), identity and address proof of the student and co-applicant, income proof of the parent/guardian, Class 10 and 12 mark sheets, passport photographs and bank statements.
- GIT issues the fee structure letter and bonafide certificate within 2 working days.
- Interest rates, collateral rules, subsidy and moratorium conditions: NOT AVAILABLE here because they depend on the bank and the loan scheme. Students should confirm with the bank.
- Loan amount is paid by the bank directly to the college in installments.

5.6 Work-Study Program

Work-study is for students who need extra financial support. Selected students work up to 12 hours a week in the library, computer centre, laboratories, admissions office or the hostel office. Pay is Rs. 90 per hour (maximum Rs. 4,320 per month). 120 positions are available each year. Class timings take priority over work hours. Applications are made at the Dean (Student Affairs) office with an income certificate by 31 August; first-year students can apply from the second semester.

5.7 Instalment and Fee Support for Hardship

A student facing sudden financial hardship (for example loss of a parent's income) can submit a request to the Principal for extra time, a fee installment plan of up to 3 additional installments, or an emergency fund grant. The Student Welfare Fund (managed by the Dean (Student Affairs)) gives grants of up to Rs. 20,000 per student per year after verification. Contact: studentaffairs@greenfield-it.example.

6. Hostel Facilities and Accommodation

Section 6 - Hostels at Greenfield Institute of Technology (fictional): boys' and girls' hostels, room types, mess, fees, rules, timings, visitors, allotment and cancellation.

6.1 Hostel Overview

GIT provides separate hostels for boys and girls inside the campus. Total capacity is 1,800 students: 1,000 in the boys' hostels and 800 in the girls' hostels. Hostels have 24-hour security with CCTV, wardens, a visitor lounge, a Wi-Fi network, a TV and recreation room, a reading room, laundry facility and a drinking water purifier on every floor. Hostel accommodation is available to first-year to final-year students (UG and PG). Hostel accommodation is not compulsory.

Hostel block	For	Capacity	Room types available	Distance to academic blocks
Banyan Block	Boys	600	Triple sharing non-AC, Double sharing non-AC	5 minute walk
Cedar Block	Boys	400	Double sharing AC, Single room non-AC (40 single rooms)	8 minute walk
Lotus Block	Girls	500	Triple sharing non-AC, Double sharing non-AC	4 minute walk
Jasmine Block	Girls	300	Double sharing AC, Single room non-AC (30 single rooms)	6 minute walk

6.2 Room Facilities

- Each student gets a cot, mattress, study table, chair, wardrobe/cupboard with lock, fan and LED light. Students bring their own bedding, pillows and buckets.
- AC rooms have a split air conditioner. AC room electricity is charged separately (Rs. 6,000 per year).
- Attached bathrooms in Cedar and Jasmine Blocks. Common bathrooms (with hot water 5:30 AM to 8:30 AM) in Banyan and Lotus Blocks.
- Wi-Fi in all rooms and common areas. Daily fair use limit: 15 GB per student.
- Common facilities per block: water cooler, washing machines (coin-free, scheduled), iron tables, indoor games room, 24-hour power backup with generators, first-aid kit.
- Cooking, electric kettles, heaters, induction stoves, extension boards and personal refrigerators in rooms are not permitted.

6.3 Mess and Dining

Each hostel block has its own mess hall run by a catering contractor under the supervision of the Mess Committee (students, warden and a dietician). Both vegetarian and non-vegetarian meals are served. Menus are rotated weekly and displayed on the notice board and in GIT Connect.

Meal	Timing (Monday to Saturday)	Timing (Sunday and holidays)	Typical items
Breakfast	7:15 AM to 8:30 AM	8:00 AM to 9:30 AM	Idli, dosa, pongal, upma, bread and eggs, tea, coffee, milk
Lunch	12:30 PM to 2:00 PM (hostel students on class days eat at the academic-block cafeteria or hostel mess)	12:30 PM to 2:30 PM	Rice, sambar, rasam, two vegetable dishes, curd, one non-veg dish on specified days
Evening snacks	4:45 PM to 5:45 PM	4:45 PM to 5:45 PM	Tea, coffee, a snack
Dinner	7:30 PM to 9:00 PM	7:30 PM to 9:00 PM	Chapati, rice, dal, vegetable curry, egg/chicken/fish on non-veg days

- Non-vegetarian days: Wednesday (egg), Friday (chicken) and Sunday (chicken or fish). Separate vegetarian and non-vegetarian counters are provided.
- Special diets for medical reasons: possible with a doctor's certificate, subject to availability. Guaranteed Jain or other special diets: NOT SPECIFIED; contact the Chief Warden.

- Mess fee is charged for 10 months of the academic year (August to May). The mess is closed during the winter break (24 December to 3 January) and summer vacation; students staying back for exams or projects are charged Rs. 150 per day.
- A mess rebate is not given for short absences of less than 7 days. For absence of 7 or more continuous days with prior intimation, a rebate of Rs. 100 per day is given.

6.4 Hostel Admission Eligibility and Allotment

- Eligibility: any admitted GIT student (UG, PG, lateral entry) can apply after confirming admission.
- First-year students: allotment is based on distance of the home from campus (candidates living more than 25 km away get priority) and the date of admission confirmation. Local students living within 15 km may be allotted only if seats remain.
- Continuing students: allotment is based on CGPA and absence of disciplinary cases. Re-registration happens in July.
- Single rooms and AC rooms: given first to final-year and PG students on CGPA basis.
- Girl students are accommodated only in the Lotus and Jasmine Blocks; boys only in the Banyan and Cedar Blocks.
- Room and roommate changes are allowed once a year (in September) on a request to the warden if seats are free.

6.5 Hostel Fees

Room type	Room rent per year (Rs.)	Mess fee per year (Rs.)	Yearly total: rent + mess (Rs.)	First-year total with one-time hostel fees (Rs.)
Triple sharing, non-AC	45,000	45,000	90,000	1,03,000
Double sharing, non-AC	60,000	45,000	1,05,000	1,18,000
Double sharing, AC	85,000	45,000	1,30,000	1,43,000
Single room, non-AC	95,000	45,000	1,40,000	1,53,000

Other hostel charges	Amount (Rs.)	Notes
Hostel admission fee (one-time)	3,000	Non-refundable
Hostel caution deposit (one-time)	10,000	Refundable on vacating if no dues
Electricity charge for AC rooms	6,000 per year	Only AC rooms
Optional laundry service	6,000 per year	Weekly wash for 10 months
Mess charge for staying outside mess months	150 per day	Winter break/summer stay with permission
Lost room key replacement	250	
Damage to hostel property	Actual cost of repair, shared by students of the room/block if the person responsible is not identified	

Example: a first-year B.E. CSE student (Counselling Quota) staying in a triple sharing non-AC room pays Rs. 1,42,500 tuition and other fees (Rs. 1,23,500 recurring + Rs. 19,000 one-time) plus Rs. 1,03,000 hostel (Rs. 45,000 rent + Rs. 45,000 mess + Rs. 3,000 admission fee + Rs. 10,000 refundable deposit). The grand total for the first year is Rs. 2,45,500.

Hostel fee payment follows the same installments as college fees (60% by the due date and 40% by 15 January); one-time hostel fees are due at allotment.

6.6 Hostel Timings and Rules

Item	Rule / timing
Gate closing time	8:30 PM Monday to Saturday; 9:00 PM on Sundays and holidays
Late pass	Up to 10:00 PM with warden approval on the hostel app (maximum 4 late passes per month) for lab, library, internship or placement-related reasons
Weekend outings	Saturday and Sunday, 10:00 AM to 7:00 PM, with registered parent consent. Outings on weekdays require written permission from the warden.
Silent (quiet) hours	10:30 PM to 5:30 AM. Lights out at 11:00 PM in common areas. Reading rooms stay open until midnight.
Visitors	Parents and guardians only, on Sundays and public holidays from 10:00 AM to 6:00 PM in the visitor lounge. Entry into rooms is not allowed. Visitors must register at the security desk with ID.
Roll call	Daily at 9:30 PM by wardens or through the biometric/ID scan
Home leave	Parent consent through the hostel app; intimation before leaving, and back-to-hostel entry in the register
Opposite-gender entry	Not permitted in hostel blocks at any time
Dress code	Decent dress in common areas. College ID card to be carried at all times.
Prohibited items and acts	Alcohol, tobacco, vapes, drugs, weapons, gambling, ragging, loud music after quiet hours, cooking in rooms, damage to property
Mobile phones and laptops	Permitted. Use during quiet hours should not disturb others.
Vehicles	Student vehicles are parked at the hostel parking area with a valid permit; not allowed inside the hostel premises.
Medical emergencies	Warden informs the Health Centre; ambulance available 24 hours. Parents are informed immediately.
Penalties	Warning, fine up to Rs. 2,000, eviction from the hostel (with no refund of rent) for serious or repeated violations. Alcohol, drug or ragging offences lead to eviction and referral to the Disciplinary Committee.

6.7 Hostel Application Procedure

Step	Action
1	Confirm college admission by paying fees.
2	Log in to GIT Connect and open Hostel Application. Choose the room type preference (first, second and third).
3	Upload: admission letter, photo ID, parent/guardian details, local guardian details (name, address, phone), medical fitness certificate, recent photograph, signed hostel undertaking and anti-ragging affidavit by student and parent.
4	Pay hostel admission fee (Rs. 3,000) online. The caution deposit and first installment of rent and mess are paid on allotment.
5	Hostel allotment list is published on the portal within 5 working days after the last date for applications. First-year allotment lists are released in July 2027 (for 2027-28).
6	Pay the allotted fees; collect room key and hostel ID from the warden's office on the reporting day (26 July 2027 for first-year students).

6.8 Hostel Reporting Times and Move-in

First-year students can report to the hostel from 26 July 2027 between 9:00 AM and 6:00 PM. Continuing students report on 29 July 2027. Students must bring: bedding, padlock, toiletries, personal medicines, ID proof, 4 passport photographs, copy of the fee receipts and allotment letter. Heavy electronic appliances and furniture are not permitted.

6.9 Vacating and Hostel Fee Refund

- A student can vacate with 15 days' written notice to the warden. Rent is not refunded for the current year after 31 August.
- Withdrawal before 31 July: 90 percent of room rent and mess fee refunded. 1 to 31 August: 50 percent refunded. After 1 September: no refund of rent. The caution deposit is returned within 30 days after clearing dues.
- At the end of the academic year, rooms must be vacated within 48 hours after the last exam, and room keys returned.

6.10 Off-Campus Accommodation

Students may also stay in private accommodation near the campus. GIT does not provide official listings; the Dean (Student Affairs) maintains a list of verified paying-guest accommodations near Greenfield Gate Market and Library Road for parents' reference (details NOT AVAILABLE in this document). Off-campus students must register their address with the college office.

7. Campus Facilities

Section 7 - Facilities at Greenfield Institute of Technology (fictional): library, laboratories, computer centre, Wi-Fi, sports, gym, cafeteria, medical, counselling, banking, safety and student support.

7.1 Library: Knowledge Resource Centre

- Area: 45,000 square feet over four floors; seating for 650 readers; 40 computers for e-resource access.
- Collection: 62,000 volumes covering 28,000 titles; 180 print journals and magazines; access to 9,500 e-journals and e-books; digital library with previous-year question papers and project reports.
- Timings: Monday to Saturday 8:00 AM to 8:00 PM. Sundays 9:00 AM to 5:00 PM reading room only (opened during exam periods). Closed on public holidays. During semester exams the library stays open until 10:00 PM.
- Membership: automatic for all students after paying the library fee. The library card is the student ID card.
- Borrowing limits: UG students 4 books for 14 days; PG students 6 books for 21 days; research scholars 8 books for 30 days; faculty 10 books for 30 days. One renewal is possible if the book is not reserved.
- Fine: Rs. 2 per day per book for late return. Lost book: cost of the book plus 20 percent processing charge. Damage: repair or replacement cost.
- Services: book reservation, inter-library loan (with partner libraries), photocopying and printing (Rs. 1 per page photocopy, Rs. 2 per page black-and-white print), group discussion rooms (book through portal), remote access to e-resources through the student portal, newspaper section, and a quiet silent study zone.
- Rules: silence, ID card compulsory, no food or drinks, bags to be kept at the baggage counter, mobile on silent.

7.2 Laboratories

GIT has more than 60 laboratories with modern equipment. Department-wise lists are given in Section 10.5. Laboratories are open from 9:00 AM to 4:30 PM on working days. Open-access project labs in the Innovation Hub are open until 7:00 PM for registered student teams. Laboratory safety orientation is given in the first week to every student. A lab coat or lab apron is mandatory in workshops and chemistry labs.

7.3 Computer Centre

The Central Computer Centre in E Block has 1,450 computers in total across campus labs (including 120 high-performance systems and 16 GPU nodes for AI/ML). Licensed software used in courses includes programming environments, simulation tools, CAD, circuit design and analysis packages (specific vendor names NOT SPECIFIED). Students can use the computer centre after class hours from 4:15 PM to 7:00 PM.

7.4 Wi-Fi and Network

- Campus-wide Wi-Fi covers academic blocks, library, cafeteria, auditorium, sports complex and hostels using 1,200 access points.
- Internet bandwidth: 1 Gbps primary leased line with a 500 Mbps backup line.
- Login: with GIT Connect username and password. One account can be used on up to 3 devices at a time.
- Fair use limit: 15 GB per student per day in hostels; unlimited in academic blocks during working hours for academic sites. Certain categories (illegal, adult, torrent and some streaming sites) are blocked.
- IT Help Desk: A Block, ground floor, 9:00 AM to 5:00 PM. Email: ithelp@greenfield-it.example. Problems are resolved within 1 working day.
- Smart classrooms: all classrooms have projectors/smart boards, a lecture-capture system and Wi-Fi.
- Learning management system (LMS): course notes, assignments, quizzes and recorded lectures are on GIT Connect.

7.5 Sports and Fitness

Facility	Details
Cricket ground	One turf-wicket ground with nets and pavilion
Football and hockey ground	One full-size multi-purpose ground with floodlights
Athletic track	400 metre synthetic track
Basketball courts	2 outdoor courts with floodlights
Volleyball and throwball courts	2 outdoor courts
Indoor Stadium	4 badminton courts (wooden flooring), 6 table-tennis tables, chess and carrom room
Tennis court	1 hard court
Gymnasium	Air-conditioned gym with cardio and strength equipment. Separate timings for boys and girls. Included in the sports fee.
Yoga and meditation hall	Daily yoga sessions at 6:30 AM; hall open 6:00 AM to 8:00 AM and 5:00 PM to 7:00 PM
Swimming pool	NOT AVAILABLE. GIT does not currently have a swimming pool.

Sports timings: 6:00 AM to 8:00 AM and 4:30 PM to 7:30 PM daily. Gym timings: boys 6:00 AM to 8:00 AM and 4:30 PM to 6:30 PM; girls 8:00 AM to 10:00 AM (Monday to Saturday, as scheduled) and 4:30 PM to 6:30 PM on alternate slots. GIT teams participate in inter-college tournaments in cricket, football, basketball, volleyball, badminton, athletics, table tennis, chess and kabaddi. The annual Sports Day is held on 29 January 2027. Coaches: full-time coaches for cricket, football, athletics and basketball. Sports scholarships are described in Section 5.

7.6 Cafeteria and Food Court

- Green Plate Cafeteria (main): vegetarian and non-vegetarian meals, 8:00 AM to 5:30 PM Monday to Saturday. Approximate prices: full meals Rs. 70, tea Rs. 12, coffee Rs. 15, snacks Rs. 20 to Rs. 50, biryani Rs. 90.
- Food Court: fast-food counters, juice stall, ice cream kiosk and a coffee kiosk, open 9:00 AM to 6:00 PM.
- Payment: cash, UPI and the campus RFID wallet (ID card can be topped up at the cafeteria counter).
- Hygiene: food safety inspections are held monthly by the Health Centre and the Mess Committee.
- Seating: 600 seats in the main cafeteria.

7.7 Medical Facilities and Health Centre

- Health Centre in the campus: 2 full-time MBBS doctors (9:00 AM to 5:00 PM Monday to Saturday), nursing staff on duty 24 hours, 6 observation beds, first-aid and basic pharmacy.
- Ambulance: available 24 hours, call the Health Centre at extension 150 or the Main Gate security.
- Tie-up hospital: Meadowvale City Hospital (fictional), 4 km from campus, for emergencies and specialist care.
- Insurance: student group insurance covers accidents and hospitalisation up to Rs. 1,00,000 per year. The premium is included in the fee. Pre-existing illness is excluded unless declared at admission (conditions NOT SPECIFIED; refer to the policy document at the Health Centre).
- Counselling and wellness: two professional counsellors and a visiting psychiatrist (every Wednesday); confidential appointments through the Health Centre or the Wellness Centre (E Block, first floor). Helpline: ext. 160.
- Health check-up: every student has a basic health check once a year and a free blood-group record.
- Medical leave: submit a medical certificate within 3 days of resuming classes (see Section 9.3).

7.8 Student Support Services

- Mentor-mentee system: each faculty mentor guides 15 to 20 students throughout the program and meets them at least twice a month.
- Academic support: remedial classes for slow learners, peer tutoring, bridge courses for lateral entry students, English language lab and writing centre.
- Career Development Cell: resume workshops, mock interviews and career counselling (see Section 8).
- Student Counselling and Wellness Centre: stress, exam anxiety, relationship and personal problems.

- Student Welfare Fund: emergency financial help (see Section 5.7).
- Alumni network: mentorship by alumni, alumni talks and referrals.
- Student Council: elected representatives from every department to voice student opinion to the administration.
- Equal Opportunity Cell: support for students from marginalised backgrounds and differently-abled students.
- Ombudsperson and grievance cell: see Section 12.5.

7.9 Banking, ATM, Stationery and Other Services

- Meadowvale National Bank extension counter and ATM near the cafeteria (counter 10:00 AM to 2:00 PM weekdays; ATM 24 hours).
- Campus store and stationery shop: books, drawing instruments, lab coats, uniforms, ID card holders, snacks; open 9:00 AM to 5:00 PM.
- Photocopy and printing centre near the library and in the hostels.
- Post box and courier counter at the Main Gate.
- Prayer and meditation room: a multi-faith meditation room in D Block.
- Laundry service in hostels (optional, paid).

7.10 Auditorium, Seminar Halls and Innovation Hub

Greenfield Auditorium (1,200 seats), a Seminar Hall (300 seats), five department seminar rooms (80 seats each) and the Innovation Hub with a maker lab, 3D printers, an electronics prototyping bench, and an incubation space for 12 student start-up teams. The E-Cell supports idea validation and mentoring. Startup funding is NOT SPECIFIED.

7.11 Campus Safety and Security

- 24-hour security guards at the Main Gate, hostels and parking areas; 420 CCTV cameras; visitor registration at the Main Gate.
- Women's Safety Cell and Internal Complaints Committee for sexual harassment prevention.
- GIT Safe mobile app with an SOS button that alerts security and the warden.
- Fire safety: fire extinguishers in all buildings; fire drills twice a year. Emergency assembly points marked on the campus map.
- Emergency contact (security control room): extension 100 or +91 00000 12199 (fictional).

7.12 Accessibility and Support for Differently-Abled Students

The campus has ramps and lifts in A, B, D and E Blocks and the library, accessible washrooms, reserved parking, a scribe facility during examinations (extra 20 minutes per hour), and ground-floor accommodation in the hostels. Students should register with the Equal Opportunity Cell. Screen-reading software and braille facilities: NOT AVAILABLE at present.

7.13 Other Campus Amenities

- Uniform: required Monday to Thursday for UG students (college T-shirt/shirt and formal trousers; lab coats in labs). Friday is smart casual. PG students wear formals on seminar and placement days.
- Mobile phones: allowed on campus, but must be on silent and not used in classrooms or labs without permission.
- Laundry, tailoring and barber services: in the campus store area (barber is for hostel students on Saturday).
- Water: RO purified drinking water on every floor of every building.
- Green campus: solar panels (350 kW), a rainwater harvesting system, a waste-segregation program and a Green Club.

8. Placements and Career Development

Section 8 - Placements at Greenfield Institute of Technology (fictional): placement statistics for 2025-26, 2024-25 and 2023-24, department-wise results, recruiters, procedure, training, internships and career guidance.

All recruiter names and statistics in this section are fictional and for demonstration only.

8.1 Training and Placement Cell

The Training and Placement Cell, called the Career Development Cell (CDC), is led by the Dean (Training and Placement), Dr. Deepa Warrier, with a team of 6 placement officers, 4 training coordinators and student placement coordinators from every department. Office: A Block, first floor. Email: placements@greenfield-it.example. Office hours: 9:00 AM to 5:00 PM Monday to Friday and 9:00 AM to 12:30 PM Saturday.

8.2 Placement Statistics: 2025-26 Graduating Batch (UG)

Measure	2025-26	2024-25	2023-24
Students registered for placement (eligible)	730	701	689
Students placed	617	584	551
Placement percentage	84.5%	83.3%	80.0%
Highest package (LPA)	32.0	28.0	24.0
Average package (LPA)	6.4	6.0	5.6
Median package (LPA)	5.2	5.0	4.6
Companies that visited the campus	142	128	117
Pre-placement offers (PPO) from internships	74	61	48

In 2025-26, 617 out of 730 eligible UG students were placed, giving a placement percentage of 84.5%. The highest package was Rs. 32 LPA, the average package Rs. 6.4 LPA and the median package Rs. 5.2 LPA. 142 companies visited the campus. Eligible students are those who registered with the CDC and met the placement eligibility rules; students who chose higher studies or entrepreneurship are not counted as eligible.

Package distribution, 2025-26 (UG)

Package band	Students placed
Above Rs. 15 LPA	21
Rs. 10 LPA to Rs. 15 LPA	58
Rs. 5 LPA to below Rs. 10 LPA	241
Up to Rs. 5 LPA	297
Total placed	617

8.3 Department-wise Placement 2025-26 (UG)

Department	Eligible students	Placed	Placement %	Average package (LPA)
CSE	170	163	95.9%	7.8
IT	112	101	90.2%	7.2
AI&DS	110	102	92.7%	7.5
ECE	111	92	82.9%	5.9
EEE	52	40	76.9%	4.8
Mechanical	78	56	71.8%	4.5
Civil	50	33	66.0%	4.2
Biomedical	47	30	63.8%	4.4

Department	Eligible students	Placed	Placement %	Average package (LPA)
All departments	730	617	84.5%	6.4

Postgraduate placements 2025-26

Program	Eligible	Placed	Placement %	Average (LPA)	Highest (LPA)
MBA	108	94	87.0%	5.9	14.0
MCA	55	49	89.1%	5.5	12.0
M.E. (all)	42	31	73.8%	5.0	9.0

Higher studies and entrepreneurship: about 9 percent of the 2025-26 UG batch joined higher studies (master's programs through GATE and other entrance exams, and abroad). 11 student start-ups have been incubated in the Innovation Hub since 2021.

8.4 Major Recruiters (All Fictional)

Sector	Companies that recruited from GIT (fictional)
IT services and product development	Nimbus Systems, Aurora Software, BlueHarbor Technologies, Zenith Infosolutions, Orbitron Labs, CodeSpire Technologies, PixelForge Software
Data, AI and analytics	Kestrel Analytics, Quanta Dynamics, Datawise Solutions, NeuralPath AI, Insightrix
Core engineering and manufacturing	Meridian Motors, Titan Heavy Engineering, Voltix Power Systems, Ironbridge Constructions, Axis Automation, GreenGrid Energy
Electronics and semiconductor	Silicor Microsystems, Circuitry Labs, Photon Devices, Ampere Electronics
Biomedical and healthcare technology	MediScan Devices, Vitalis Healthtech, BioSignal Instruments
Banking, finance and consulting	Meadowvale National Bank, Capstone Advisory, Fortuna Financial Services, Pinnacle Consulting
Start-ups and e-commerce	CartNest, FleetLink, LearnLoop, Rapidbyte

Highest package of Rs. 32 LPA in 2025-26 was offered by Nimbus Systems (fictional) to a B.E. CSE student for a product engineering role. Total offers made in 2025-26: 704 (some students received more than one offer).

8.5 Placement Eligibility and Rules

- Final-year students (7th and 8th semester) register with the CDC in August. Registration requires a resume and updated student portal data.
- Eligibility for company drives: no current (standing) arrears at the time of the drive, a minimum CGPA of 6.0 up to the previous semester, and attendance of 75% or more. Companies may set higher cut-offs (for example 7.5 CGPA).
- Placement is open only to students registered with the CDC. Students may not apply to companies on campus without informing the CDC.
- Offer categories: Mass recruiter (up to Rs. 5 LPA), Regular (above Rs. 5 LPA and up to Rs. 10 LPA) and Dream (above Rs. 10 LPA). A student with a Mass offer may attend Regular and Dream drives; a student with a Regular offer may attend Dream drives only; a student with a Dream offer cannot attend further drives.
- A student who accepts an offer and does not join (without a valid reason) may be barred from future placement support and may face disciplinary action.
- Students may take part in off-campus drives with the CDC's approval.

8.6 Placement Procedure

Stage	Description
1. Company registration	The CDC invites companies from June. Companies share job descriptions, eligibility criteria and package details.
2. Student registration	Students register in August and update resumes in the placement portal.
3. Pre-placement talk	The company introduces itself and the roles.
4. Online test	Aptitude, reasoning, verbal and coding assessment.
5. Group discussion / technical interview	Technical rounds in programming, data structures, databases, operating systems, networks, domain knowledge and projects.
6. HR interview	Communication, teamwork and career goals.
7. Offer	Offer letters are issued by the company, normally within 2 to 4 weeks. The CDC records all offers.
8. Onboarding	Joining dates depend on the company, usually from June to August after graduation.

The main placement season runs from August to March of the final year. A second drive series called the Open Placement Drive takes place in April and May for students who are not placed.

8.7 Pre-Placement Training and Career Guidance

Year / semester	Training
First year	Communication skills, basics of programming, English language lab, soft skills
Second year	Quantitative aptitude, logical reasoning, verbal ability, coding practice, personality development
Third year (semesters 5 and 6)	Intensive training of about 120 hours: problem solving and data structures, aptitude, domain-specific technical sessions, resume writing, group discussion practice, mock interviews and certification courses
Final year	Company-specific preparation, mock interviews with industry experts, mock group discussions, salary negotiation and offer-letter workshops

- Mock interviews: at least 3 mock interviews (technical and HR) with alumni and industry experts for each student before the placement season.
- Career guidance: one-to-one counselling for higher studies (GATE, GRE, GMAT, CAT, public sector exams, civil services), entrepreneurship and study-abroad guidance (application support only; scholarship details NOT AVAILABLE).
- Alumni mentoring: over 150 alumni mentors guide final-year students.
- Industry certifications: students can take industry-recognised certifications in cloud, data and cyber security at subsidised fees (vendor names and fee amounts are NOT SPECIFIED).

8.8 Internships

- Every UG student must complete at least two internships: one of at least 4 weeks after the fourth or sixth semester (3 credits) and one more in the sixth or eighth semester. Internships can be in industry, research labs, start-ups or government organisations.
- Final-year students can choose a 6-month industry internship in the eighth semester in place of Project Phase II and one professional elective if the company approves and the department agrees.
- The CDC organises internship drives from October. Many companies convert interns to full-time employees through PPO (74 PPOs in 2025-26).
- Stipend: depends on the company. Typical stipends range from unpaid to Rs. 25,000 per month. The figure is indicative; no minimum stipend is guaranteed by GIT.
- Summer Research Fellowship: GIT offers an 8-week on-campus research fellowship with a stipend of Rs. 10,000 for 30 second-year and third-year students every summer (apply in March).
- MBA students complete a 8-week summer internship after the first year. MCA students complete a 6-month project/internship in the fourth semester.

8.9 Career Services Summary

GIT supports students through the CDC with campus recruitment, internships, training, resume reviews, mock interviews, alumni mentoring, entrepreneurship coaching, and guidance on higher studies and public-sector exams. Student services are free for students; no placement fee is charged apart from the Rs. 5,000 yearly training and career development fee already included in the fee structure.

9. Academic Regulations

Section 9 - Academic rules at Greenfield Institute of Technology (fictional): attendance requirements, internal assessment, examinations, grading, CGPA, arrears (backlogs), revaluation, academic calendar 2026-27, class timings, branch change and honours/minors.

9.1 Academic System

GIT follows the Choice Based Credit System (CBCS) with outcome-based education. Each course has credits based on hours per week (lecture, tutorial, practical). UG programs need 160 credits; PG programs need 80 credits (M.E.), 100 credits (MBA) and 100 credits (MCA). Each academic year has two semesters, each with at least 90 working days of instruction (about 17 weeks).

9.2 Daily Class Timings

Period	Time (Monday to Friday)
Period 1	9:00 AM to 9:50 AM
Period 2	9:50 AM to 10:40 AM
Short break	10:40 AM to 10:55 AM
Period 3	10:55 AM to 11:45 AM
Period 4	11:45 AM to 12:35 PM
Lunch break	12:35 PM to 1:25 PM
Period 5	1:25 PM to 2:15 PM
Period 6	2:15 PM to 3:05 PM
Period 7	3:05 PM to 3:55 PM
Clubs, remedial classes, training sessions	4:00 PM to 5:00 PM

Saturday timing: 9:00 AM to 12:30 PM for mentoring, remedial classes, lab sessions, club activities and training. Sundays are holidays unless notified for makeup classes or events. The college working hours are 9:00 AM to 4:30 PM on weekdays for the administrative offices. Classes are held five days a week.

9.3 Attendance Requirements

Attendance in a course	Consequence
75% or more	Eligible to appear for the end-semester examination
65% to below 75%	Eligible with attendance condonation if there is a valid reason (medical, family emergency, official college event). Condonation fee Rs. 500 per course; medical certificate or letter required; approval by HoD and Principal. A student can get condonation in a semester for at most 2 semesters in the program (not available more than twice in the 4 years).
Below 65%	Not eligible for the examination in that course; the student is detained and must repeat the course/semester in the next academic year (re-registration fee applies)

- Overall attendance minimum: 75% in each course (theory and lab) separately. Attendance is taken in every period through the face-recognition/biometric system and the faculty app, and shown on the GIT Connect portal. Parents can view attendance on the parent login.
- On-Duty (OD): up to 10% extra attendance for students officially representing GIT in sports, cultural events, paper presentations or competitions, with the OD letter signed by the faculty coordinator.
- Medical leave: medical certificate submitted within 3 days after rejoining. Leave of more than 7 days must be informed to the HoD in advance if possible.
- Late arrival: more than 10 minutes after the period starts is marked absent for that period.
- Attendance marks (part of internal assessment): see Section 9.4.

9.4 Continuous Internal Assessment (CIA)

For theory courses the total marks are 100: internal assessment 40 marks and the end-semester examination 60 marks (written exam of 100 marks scaled to 60).

Component	Marks
Internal Assessment Test 1 (IA1)	15
Internal Assessment Test 2 (IA2)	15
Assignments, quizzes and class participation	5
Attendance marks	5 (95% and above = 5, 90% to 94% = 4, 85% to 89% = 3, 80% to 84% = 2, 75% to 79% = 1)
Total internal marks	40

Laboratory courses: 60 marks internal (record, observation and viva, lab tests) and 40 marks for the end-semester practical examination with an external examiner. Project work: continuous review (60 marks) and final viva-voce (40 marks). A student must score at least 50% overall and at least 45% in the end-semester examination of each theory course (27 out of 60) to pass.

9.5 Examination Procedures

- End-semester examinations are conducted by the GIT Controller of Examinations. Theory exams are 3 hours long. Question papers are set by external subject experts.
- Hall tickets are released on the portal 7 days before the exam. Students who have not cleared fees or who are detained are not given the hall ticket.
- Items allowed in the examination hall: hall ticket, ID card, pen, pencil, geometry box and approved calculator. Mobile phones, smart watches, notes and bags are prohibited.
- Reporting time: 20 minutes before the exam. Late entry up to 30 minutes after the start is allowed with permission; no one may leave in the first hour.
- Malpractice: possession of unauthorised material or copying leads to cancellation of the paper, and for serious cases of all the papers of the semester, and a disciplinary case. Impersonation leads to dismissal.
- Results: announced on the portal within 21 days of the last exam. Mark statements are distributed by the department.
- Revaluation: apply within 7 days of the result announcement; photocopy of the answer script (Rs. 300), retotalling (Rs. 200) and revaluation (Rs. 800 per paper). Results of revaluation are declared within 15 days.
- Internal assessment test marks are shown on the portal within 7 days of each test; complaints are addressed to the course faculty within 3 days.
- Special consideration: a student who misses an end-semester exam due to a medical emergency (hospitalisation) may be allowed to appear in the next exam as a first attempt with the Principal's approval.

9.6 Grading System

Marks range (out of 100)	Letter grade	Grade points	Remark
91 to 100	O	10	Outstanding
81 to 90	A+	9	Excellent
71 to 80	A	8	Very good
61 to 70	B+	7	Good
56 to 60	B	6	Above average
50 to 55	C	5	Pass
Below 50	RA	0	Reappear (fail)
Absent	AB	0	Absent; treated as reappear
Detained for attendance	SA	0	Shortage of attendance

SGPA and CGPA

SGPA (Semester Grade Point Average) = sum of (credits of each course x grade points) divided by the total credits of the semester. CGPA (Cumulative Grade Point Average) is calculated in the same way over all semesters. Example: if a student takes 4 courses of 4 credits and gets O, A+, A and B+, SGPA = ((4x10) + (4x9) + (4x8) + (4x7)) / 16 = 136 / 16 = 8.5. Percentage equivalent of CGPA = CGPA x 10 (for example, CGPA 8.5 is 85 percent) is used only on request for certificates (a conversion note is printed on the transcript).

Degree classification

Class	Requirement
First Class with Distinction	CGPA 8.5 or above, all courses cleared in the first attempt, completed within 4 years (UG) or 2 years (PG)
First Class	CGPA 6.5 or above, completed within the maximum duration (UG: 7 years)
Second Class	CGPA 5.0 or above and below 6.5

Minimum CGPA of 5.0 and clearing of all courses are required for the award of the degree.

9.7 Arrears (Backlogs), Re-appearance and Progression

- A course with grade RA, AB or SA is called an arrear (backlog). Students may appear for arrear examinations in the next semester examination session in which that course is offered.
- Arrear exam fee: Rs. 500 per paper (maximum Rs. 3,000 per semester).
- There is no limit on the number of arrears carried to the next semester. However, a student must clear all arrears of semesters 1 and 2 before registering for the fifth semester and all arrears of semesters 1 to 4 before registering for the seventh semester project.
- Maximum time to complete UG is 7 years (6 years for lateral entry); PG is 4 years.
- Students with standing arrears are not eligible for placement drives (see Section 8.5).
- Special arrear examination: a special exam in June is held for final-year students with up to 3 arrears so they can graduate on time.
- Internal marks are carried forward for arrear attempts. A student may reappear to improve internal marks only by re-registering for the course (with attendance).

9.8 Academic Calendar 2026-27 (fictional)

Event	Date
Odd semester classes begin (all years)	3 August 2026 (course registration for continuing students: 20 to 25 July 2026)
Foundation Day	12 September 2026
Internal Assessment Test 1 (odd semester)	14 to 18 September 2026
Internal Assessment Test 2 (odd semester)	2 to 6 November 2026
Diwali holidays	7 to 10 November 2026
Annual Convocation (graduating batch 2026)	24 October 2026
Last day of odd semester classes	27 November 2026
Practical examinations (odd semester)	30 November to 4 December 2026
End-semester examinations (odd semester)	7 to 23 December 2026
Winter break	24 December 2026 to 3 January 2027
Even semester classes begin	11 January 2027
Pongal holidays	14 to 17 January 2027
Sports Day	29 January 2027
Internal Assessment Test 1 (even semester)	15 to 19 February 2027
Cultural fest Verdant	25 to 27 February 2027

Event	Date
Technical fest Technovate	11 to 13 March 2027
Internal Assessment Test 2 (even semester)	29 March to 2 April 2027
Last day of even semester classes	7 May 2027
Practical examinations (even semester)	10 to 15 May 2027
End-semester examinations (even semester)	17 May to 5 June 2027
Special arrear examination for final-year students	14 to 18 June 2027
Summer vacation	7 June to 31 July 2027 (internships, summer research fellowship)
Next academic year begins	2 August 2027 (first-year); continuing students register 20 to 25 July 2027

Public holidays such as Republic Day (26 January), Independence Day (15 August), Gandhi Jayanti (2 October) and others follow the government notification. All dates above are tentative and may be adjusted by the Vice Principal (Academics) with notice on GIT Connect.

9.9 Registration and Course Enrolment

Students register for courses each semester through the portal during the registration week (2 weeks before the semester starts for continuing students). Late registration costs Rs. 500. A student can register for a maximum of 28 credits per semester (and a minimum of 18, including arrears). Elective courses are allocated on a first-come-first-served basis with a minimum of 20 students.

9.10 Course Withdrawal, Break of Study and Re-Admission

- A student may withdraw from an elective within the first 2 weeks of the semester without penalty.
- Break of study: a student may take a break (for medical or personal reasons) of up to 1 year with Principal's approval, applied before the semester ends. Fee for re-admission is Rs. 5,000.
- Discontinuation: a student who is absent for 30 days without leave has their name struck from the rolls; re-admission is at the Principal's discretion with a fee of Rs. 5,000 plus dues.

9.11 Branch Change and Transfer

- Branch change at the end of the first year (after the second semester) is allowed for students with a CGPA of 8.0 or above and no arrears, subject to vacancy (up to 10 percent of the intake in the target branch). Applications are accepted in June.
- Transfer from another college to GIT: allowed in the third semester onwards subject to vacancy, eligibility and equivalence of courses. Transfer is decided by the Dean (Admissions); the transfer fee is Rs. 10,000.
- Transfer out: Transfer Certificate and conduct certificate are issued after clearing dues.

9.12 Honours, Minors and Additional Credits

- Honours degree (B.E./B.Tech with Honours): an additional 20 credits in an advanced area of the same branch; needs a CGPA of 7.5 or above up to the fourth semester.
- Minor degree: 18 additional credits in another discipline (for example, a Minor in Data Science for a Mechanical student); offered from the fifth semester.
- Online courses: up to 6 credits can be earned from approved online learning platforms (course lists are posted on the portal).
- Semester abroad or student exchange: NOT AVAILABLE currently.
- Final-year project: individual or group (up to 4 students) project; students can do the project in industry.

9.13 Academic Honesty

Plagiarism, copying in assignments, and use of unfair means are academic offences. Projects and reports are checked with plagiarism-detection software; a similarity above 20 percent (excluding references) is not accepted. Penalties range from zero marks in the assignment to cancellation of the course and disciplinary action.

10. Faculty, Departments, Laboratories, Research and Student Life

Section 10 - Faculty profile, department details, laboratories, research opportunities, clubs, events, festivals and extracurricular activities at Greenfield Institute of Technology (fictional).

10.1 Faculty Profile

Measure	Value
Total full-time faculty	285
Professors	42
Associate Professors	71
Assistant Professors	172
Faculty with Ph.D.	168 (about 59 percent)
Student to faculty ratio	Approximately 13:1
Visiting faculty and industry experts	About 60 visiting experts every year (not counted in the 285)
Faculty recruitment	Through open advertisement, written test, demo class and interview by a selection committee
Faculty development	Every faculty member attends at least one Faculty Development Program (FDP) or industry training per year

Faculty qualification: Assistant Professors hold at least a master's degree (M.E./M.Tech/MBA/MCA) with first class; Associate Professors and Professors hold a Ph.D. and meet experience requirements. Individual faculty profiles and publication lists: available on the department pages of the GIT website (individual details NOT AVAILABLE in this document).

Faculty strength by department: CSE 48, IT 30, AI&DS 28, ECE 36, EEE 22, Mechanical 30, Civil 20, Biomedical 16, Management Studies 18, Computer Applications 12, Science and Humanities 25.

10.2 Department Highlights

Department	Highlights
CSE	Largest department (180 UG seats). Strong in AI/ML, cyber security and cloud. Centre for AI and Data Science. Student teams regularly win national hackathons. 14 industry-sponsored courses.
IT	Focus on web, mobile and cloud engineering and information security; incubates software start-up projects.
AI&DS	Programs in machine learning, deep learning, big data. GPU computing cluster for student projects.
ECE	VLSI and embedded system labs with industry design tools; strong placement in electronics and semiconductor companies.
EEE	Electric Vehicle Technology Lab, smart-grid and solar laboratory; 350 kW rooftop solar plant on campus used as a live lab.
Mechanical	CNC, robotics and 3D printing; Formula student and Baja vehicle teams; Automotive Engineering track.
Civil	Structural testing laboratory, surveying with total stations and drones, green building studies.
Biomedical	Medical instrumentation, imaging and rehabilitation engineering; hospital internships with partner hospitals.
Management Studies (MBA)	Specialisations in Finance, Marketing, HR and Business Analytics; live case studies, stock market lab, 8-week summer internship.
Computer Applications (MCA)	Software development, data science and cloud; 6-month project/internship in the final semester.
Science and Humanities	Foundation courses, communication skills, language lab and the writing centre.

10.3 Department Contact Overview

Each department has a Head of Department (see Section 1.7), a departmental office open from 9:00 AM to 4:30 PM on working days, and a class advisor for each batch. Phone extensions and emails are in Section 13.3.

10.4 Laboratories by Department

Department	Laboratories
CSE	Programming and Problem Solving Lab; Data Structures and Algorithms Lab; DBMS Lab; Operating Systems Lab; Computer Networks Lab; AI and Machine Learning Lab (GPU workstations); Cyber Security and Digital Forensics Lab; Cloud Computing Lab; Full-Stack Development Lab
IT	Web Technology Lab; Mobile App Development Lab; Internet of Things Lab; Information Security Lab; DevOps and Cloud Lab
AI&DS	Data Science Lab; Deep Learning Lab; Big Data Lab; Computer Vision Lab; NLP Lab
ECE	Analog Circuits Lab; Digital Systems Lab; Microprocessor and Microcontroller Lab; VLSI Design Lab; Embedded Systems Lab; Communication and Antenna Lab; Digital Signal Processing Lab; IoT Lab
EEE	Electrical Machines Lab; Power Electronics Lab; Control Systems Lab; Power System Simulation Lab; Electric Vehicle Technology Lab; Renewable Energy and Solar Lab
Mechanical	Fitting, Carpentry, Welding and Foundry workshops; CAD/CAM Lab; Thermal Engineering Lab; Fluid Mechanics and Machinery Lab; Metrology Lab; CNC Lab; Robotics and Automation Lab; 3D Printing and Rapid Prototyping Lab
Civil	Surveying Lab; Concrete and Highway Materials Lab; Soil Mechanics Lab; Environmental Engineering Lab; Structural Engineering Lab; CAD and Building Information Modelling Lab
Biomedical	Biomedical Instrumentation Lab; Medical Imaging Lab; Biomechanics Lab; Anatomy and Physiology Lab; Biosignal Processing Lab
Management and Computer Applications	Stock market and analytics lab; Case-study room; Software development lab; Data analytics lab
Science and Humanities	Physics Lab; Chemistry Lab; English Language and Communication Lab; Engineering Graphics studio

10.5 Research and Innovation

- Research centres: Centre for Artificial Intelligence and Data Science, Centre for Sustainable Energy and Electric Mobility, VLSI and Embedded Systems Research Group, Structural and Materials Research Group.
- Funded projects: 14 ongoing funded research projects worth about Rs. 3.2 crore (fictional) from government and industry agencies.
- Publications: about 210 research papers per year in journals and conferences; 18 patents filed in 2025-26 (figures approximate).
- Undergraduate research: students can work as research assistants from the third semester; best projects are supported with a small grant (up to Rs. 25,000 per project).
- Summer Research Fellowship: 8 weeks, 30 fellowships, stipend Rs. 10,000 (apply in March).
- Ph.D. programs: see Sections 2.4 and 3.5.
- Innovation Hub and E-Cell: incubation support for student start-ups, mentorship, workspace for 12 teams, pitch events and hackathons. Seed funding amount: NOT SPECIFIED.
- MoUs: GIT has memoranda of understanding with 25 (fictional) industry partners and 8 academic institutions for projects, internships and joint research. Partner names are NOT AVAILABLE here.

10.6 Student Clubs and Societies

Club / chapter	Activities
CodeCrafters (Coding Club)	Weekly coding contests, competitive programming training, hackathons
RoboForge (Robotics Club)	Robot design, drones, robotics competitions
AI Society	Workshops on machine learning, Kaggle-style contests, paper reading groups
Cipher Circle (Cyber Security Club)	Capture-the-flag events, security awareness sessions

Club / chapter	Activities
Ignite (Entrepreneurship Cell, E-Cell)	Start-up mentoring, business plan competitions, guest talks by founders
Wordsmiths (Literary Club)	Debates, quiz, creative writing, Model United Nations
Resonance (Music Club)	Vocal and instrumental bands, music nights
Rhythm Rush (Dance Club)	Classical, folk and western dance
Footlights (Drama Club)	Stage plays, street plays, mono-acting
Lensight (Photography and Film Club)	Photography walks, short films, editing workshops
Green Club	Tree plantation, waste segregation, energy saving drives
Women in Tech Forum	Mentorship, workshops, leadership talks by women professionals
Professional society student chapters	Engineering societies' chapters in computing, electronics, electrical and mechanical areas; technical talks and project exhibitions
National Service Scheme (NSS)	Community service, blood donation camps, village adoption; 200 volunteers
National Cadet Corps (NCC)	Army wing unit with 100 cadets; camps and parades
Yoga and Wellness Club	Daily yoga, stress management workshops

Joining a club: any student can join at the club fair held in the second week of August; membership is free. A student can be a member of up to three clubs. Club activities take place from 4:00 PM to 5:00 PM and on Saturdays. Activity points: students earn up to 100 activity points (needed for the degree, minimum 75 points over the four years) by attending clubs, NSS, sports and workshops.

10.7 Annual Events and Festivals

Event	When	Description
Orientation / Induction Program	26 to 31 July 2027 (first-year)	Campus orientation, department introductions, bonding sessions, parents' meet
Foundation Day	12 September	Celebrates GIT's founding; alumni meet
Annual Convocation	October (24 October 2026)	Degree presentation to graduating students
Sports Day	29 January 2027	Inter-department athletics and games
Verdant (Cultural fest)	25 to 27 February 2027	Music, dance, drama, art, literary events, celebrity performances; open to other colleges
Technovate (Technical fest)	11 to 13 March 2027	Hackathon, robotics contest, project expo, workshops, paper presentations; prize pool Rs. 3,00,000 (fictional)
Alumni Meet	12 September 2026 (annual)	Alumni reunion with talks and networking
Entrepreneurship Week	November	Start-up pitch competition, founders' talks
National Science Day and Engineers' Day events	As per calendar	Lectures, exhibitions
Inter-college sports tournaments hosted by GIT	December	Cricket and football cup
Hackathon: Greenfield Code Sprint	Held twice a year (October and March)	24-hour hackathon

10.8 Student Achievements (Fictional Examples)

- GIT teams won the first prize at the Southern Region Robotics Challenge in 2025.
- A final-year CSE team won a national-level hackathon in 2026 with a prize of Rs. 1,50,000.
- GIT athletes won 12 medals in inter-college athletics meets in 2025-26.
- 4 students received national-level research fellowships in 2026.

11. Transportation and Parking

Section 11 - College bus service at Greenfield Institute of Technology (fictional): routes R1 to R12, stops, pickup and drop timings, distance-based fees, rules, registration, parking permits and rules for two-wheelers and cars.

11.1 Transport Overview

GIT runs a fleet of 38 buses (including 4 reserve buses) on 12 routes (R1 to R12) covering Meadowvale and surrounding towns up to 40 km from the campus. Buses are GPS-tracked, with CCTV, speed governors and a lady attendant on routes with girl students. Bus transport is optional. Transport is managed by the Transport Officer (Mr. T. Selvaraj) at the Transport Office near the Main Gate (office hours 8:00 AM to 5:00 PM, Monday to Saturday; email transport@greenfield-it.example).

11.2 Bus Routes and Timings

Route	Stops (in order from first pickup to campus)	Morning pickup times	Arrival at campus	Farthest stop distance
R1	Meadowvale Central Bus Stand, Rosewood Junction, Greenfield Gate Market	7:30 AM, 7:40 AM, 7:50 AM	8:20 AM	6 km
R2	Brookfield Station, Oakridge, Pinecrest Circle	7:05 AM, 7:20 AM, 7:40 AM	8:25 AM	11 km
R3	Lakeside Terminus, Hilltop Market, Stonebridge	6:55 AM, 7:15 AM, 7:40 AM	8:30 AM	16 km
R4	Riverbend, Maple Town, Willow Crossing	6:50 AM, 7:10 AM, 7:35 AM	8:30 AM	21 km
R5	Sunrise Layout, Cedar Heights	7:20 AM, 7:35 AM	8:15 AM	9 km
R6	Harbourview, Eastgate Colony, Meadowvale Central Bus Stand	6:40 AM, 7:05 AM, 7:35 AM	8:35 AM	27 km
R7	Northfield, Ashford Cross, Kingsway	6:35 AM, 7:00 AM, 7:30 AM	8:40 AM	33 km
R8	Westbrook, Elm Park, Rosewood Junction	6:45 AM, 7:15 AM, 7:45 AM	8:40 AM	24 km
R9	Southgate Industrial Estate, Lotus Nagar	7:10 AM, 7:30 AM	8:20 AM	13 km
R10	Hillcrest, Valley View, Maple Town	6:30 AM, 6:55 AM, 7:25 AM	8:30 AM	38 km
R11	Greenfield Town Railway Station, Library Road	7:35 AM, 7:45 AM	8:15 AM	5 km
R12	Coastal Road, Bayview, Eastgate Colony	6:30 AM, 7:00 AM, 7:35 AM	8:35 AM	36 km

Evening (return) timings

Trip	Departure from campus (all routes)	Days
Trip A	4:15 PM	Monday to Friday
Trip B	5:45 PM (for students in labs, clubs, training or library)	Monday to Friday
Saturday trip	12:45 PM	Saturday
Exam days	Buses leave 15 minutes after the end of the examination	Exam days

The reverse order of stops is followed in the evening. The first morning pick-up times are approximate and may vary by 5 to 10 minutes in heavy traffic. Route changes or new stops can be requested at the Transport Office; a new stop is added if at least 15 students apply. Bus tracking: the GIT Bus app (live tracking) is NOT AVAILABLE at present; students can call the Transport Office or the driver's number printed on the bus pass.

11.3 Internal Shuttle

3 electric carts run between the Main Gate, academic blocks, library and hostels from 8:00 AM to 6:00 PM on working days at no extra charge. Priority is for differently-abled students, staff and visitors.

11.4 Bus Fees

The bus fee depends on the distance between the student's boarding stop and the campus. The fee is for the full academic year (10 months) and is paid together with the college fee in the same installments (60 percent by the due date and 40 percent by 15 January).

Distance of boarding stop from campus	Bus fee per year (Rs.)
Up to 10 km	32,000
10.1 to 20 km	38,000
20.1 to 30 km	44,000
30.1 to 40 km	50,000

- Bus transport is not provided for distances above 40 km.
- Example: a student boarding at Pinecrest Circle on route R2 (distance 8 km) pays Rs. 32,000 per year. A student boarding at Hillcrest on route R10 (38 km) pays Rs. 50,000 per year.
- Students can choose 'one-way' transport (morning only or evening only) at 60 percent of the yearly fee.
- Occasional use: a day-pass is not available. A free one-time trial for the first 3 days is allowed for new students.
- Bus fee is non-refundable after 31 August.

11.5 Bus Registration, Pass and Rules

Item	Details
Registration	Online on GIT Connect: select route and boarding stop; pay the fee. Bus pass (RFID) is issued by the Transport Office within 3 working days.
Deadline	Registration for 2027-28 opens on 1 July 2027 and closes on 31 July 2027. Late registration is possible only if seats are available.
Change of stop	Allowed once a year in September on a written request; fee is adjusted for the new distance.
Refund	Cancellation before 31 July: 90 percent refund; 1 to 31 August: 50 percent; after 1 September: none.
Bus pass	Must be shown on boarding. Lost pass: duplicate costs Rs. 300.
Student conduct	No standing in doorways, no littering, no smoking, no ragging; follow the lady attendant's instructions; mobile phones are permitted on silent.
Bus breakdown or delay	Students are informed by SMS and the Transport Office arranges an alternate bus; attendance is condoned for delays caused by transport issues.
Complaints	Transport Office or transport@greenfield-it.example; resolved within 2 working days.

11.6 Parking Rules

- Two-wheelers: permitted for all students with a valid driving licence, registration certificate (RC) and insurance. Parking permit fee Rs. 600 per year. Helmet is mandatory on campus and the helmet must be carried; no triple riding.
- Four-wheelers (cars): permitted for final-year UG and PG students only, with a permit fee of Rs. 1,500 per year, in the designated student car parking near the Main Gate. Visitors' cars park in the visitor area.
- Parking capacity: 1,500 two-wheelers and 200 cars (student area). Capacity is first-come first-served; the permit does not guarantee a slot.
- Application for a parking permit: online on the portal with copies of the licence, RC and insurance; permit sticker issued by the Transport Office within 2 working days.
- Speed limit inside the campus: 20 km/h. Parking only in marked slots; vehicles parked improperly may be towed or fined Rs. 200.

- Bicycles are free to park in the cycle stand and are encouraged.
- Hostel students' vehicles: parked in the hostel parking area with a permit.
- College is not responsible for loss or theft of vehicles or items in them; students should lock vehicles and carry their helmets.
- Visitor parking: free for up to 4 hours; vehicles must be registered at the Main Gate.

11.7 Other Ways to Commute

Public transport: city bus numbers 21G and 45 stop at Greenfield Gate Market (10 minutes' walk). Auto-rickshaws are available from Greenfield Town Railway Station (about Rs. 120 for the 5 km trip, indicative). Ride-hailing apps work in the area (availability NOT SPECIFIED).

12. Student Services, Certificates and Discipline

Section 12 - Student services at Greenfield Institute of Technology (fictional): ID cards, certificates and fees, GIT Connect portal, grievance redressal, anti-ragging policy, sexual harassment prevention, discipline, dress code and penalties.

12.1 Student ID Card

- Every student gets an RFID photo ID card (cost included in the Rs. 500 ID and portal fee) within 7 working days after admission.
- The ID card is mandatory on campus, in the library, hostel, transport, exams and the cafeteria wallet. It must be worn visibly.
- Lost or damaged ID card: apply at the Student Affairs Office with a written request and Rs. 300; a duplicate is issued in 2 working days.
- ID card must be returned (or declared lost) at the end of the program to get the caution deposit refund.

12.2 GIT Connect Student Portal

GIT Connect (web and mobile) provides attendance, internal marks, results, timetable, fee payment and receipts, hall tickets, hostel and transport registration, scholarship applications, certificate requests, notices, LMS, library account and grievance submission. Login details are sent to the student's email after admission. Forgot password: reset with the registered mobile OTP or contact ithelp@greenfield-it.example. The portal has a Parent Login (view attendance, marks and fee status).

12.3 Certificates and Documents

Certificate	Fee (Rs.)	Processing time	How to apply
Bonafide certificate (for bank, passport, scholarship)	50	1 working day	Portal or Student Affairs Office
Conduct certificate	100	2 working days	Portal
Study certificate (for loans/passport/visa)	100	2 working days	Portal
Transfer certificate at course completion	Free	3 working days after clearing dues	Apply at the Student Affairs Office
Transfer certificate before course completion	500	3 working days	Written request + no-dues form
Provisional certificate	500	5 working days	Portal after results are declared
Degree certificate	Free (first copy)	Issued at convocation / by GSTU; time depends on the university	Collected at the convocation
Transcript (per copy)	500	5 working days	Portal
Duplicate mark sheet / grade card	300	7 working days	Controller of Examinations office
Course completion certificate	100	3 working days	Portal
Migration certificate	Issued through GSTU	About 3 weeks (not controlled by GIT)	Apply at the Controller of Examinations office
No-dues certificate	Free	2 working days	Online no-dues clearance across library, hostel, accounts, transport and department
Internship/NOC letter for industry	Free	2 working days	Department office
Verification letter for employers/embassies	200	3 working days	Controller of Examinations office
Rank certificate / merit certificate	Free	5 working days	Department office

Certificates are issued Monday to Friday between 10:00 AM and 4:00 PM at the Student Affairs Office (A Block, ground floor). Original certificates already issued are not re-issued except as duplicates.

12.4 Student Welfare and Support Offices

Office	Location	What it does
Student Affairs Office	A Block, ground floor	ID cards, certificates, discipline, clubs, student council, welfare fund
Accounts Office	A Block, ground floor	Fee payment, receipts, refunds, scholarship adjustments
Admissions Office	Near Main Gate	Admissions, applications, counselling, campus tours
Controller of Examinations Office	A Block, first floor	Hall tickets, results, revaluation, mark statements
Scholarship Cell	A Block, ground floor	Institutional and government scholarship help
Wellness Centre	E Block, first floor	Counselling and mental wellbeing
Equal Opportunity Cell	A Block, first floor	Support for marginalised and differently-abled students
Hostel Offices	In each hostel block	Allotment, leave, mess and maintenance
Transport Office	Near Main Gate	Bus passes, routes, parking permits

12.5 Grievance Redressal

GIT has a Grievance Redressal Committee (GRC) chaired by the Dean (Student Affairs) with faculty members, a student representative and a woman faculty member. A grievance can relate to academics, examinations, fees, hostel, transport, harassment or any other matter.

Step	Process	Time limit
1. Submit	Online on GIT Connect (Grievance tab), email to grievance@greenfield-it.example, written complaint in the grievance boxes at A Block, hostels and the library, or in person at the Student Affairs Office. Anonymous complaints are accepted for harassment and ragging.	Any time
2. Acknowledge	Complaint is registered with a ticket number and acknowledged	Within 2 working days
3. Investigate and resolve	The GRC or the concerned office reviews the matter, hears both sides and gives a written decision	Within 15 working days
4. Appeal	If not satisfied, the student may appeal to the Principal, and then to the Ombudsperson of the Governing Council (ombudsperson@greenfield-it.example)	Appeal within 15 days; decision within 30 days

Confidentiality is maintained and no student is penalised for raising a genuine complaint. The Student Council meets the Principal once a month to raise common issues.

12.6 Anti-Ragging Policy

GIT has a zero-tolerance policy on ragging. Ragging means any act that causes or is likely to cause physical or psychological harm, humiliation or fear to a student, including teasing, forced performances, forced tasks, verbal abuse, physical harm and forced spending, on or off campus, including online. Ragging is a punishable offence under the law and GIT rules.

- Anti-Ragging Committee: chaired by the Principal; members include faculty, police representative (fictional), parent representative, NGO representative and students.
- Anti-Ragging Squad: faculty and wardens who patrol hostels, bus routes, canteen and campus areas, especially during the first 3 months of the academic year.
- Affidavit: every student and parent must submit an online anti-ragging undertaking at admission.
- 24x7 helpline: +91 00000 12177 (fictional); email: antiragging@greenfield-it.example. Complaint boxes at hostels and academic blocks. Complaints are kept confidential.
- Penalties: depending on severity, suspension from classes, cancellation of the hostel seat, withholding results, fine up to Rs. 25,000, expulsion from the institute and filing of a police complaint (FIR). The decision is taken by the Anti-Ragging Committee within 7 days.
- Awareness: orientation talks, posters, signed undertaking, and a short test during the induction program.

- Freshers are welcomed through the official Welcome Program organised by senior students under faculty supervision; unofficial interactions are prohibited.

12.7 Prevention of Sexual Harassment and Women's Safety

The Internal Complaints Committee (ICC) handles sexual harassment complaints according to the applicable law. Complaints can be made in writing to the ICC Presiding Officer (Dr. Meenakshi Rao, fictional) or by email to icc@greenfield-it.example; complaints are confidential. The committee completes the inquiry within 60 days. Women's Safety Cell provides counselling and escort services in the evenings on request (ext. 170). The GIT Safe app SOS button alerts security and the warden.

12.8 Code of Conduct and Discipline

- Students must maintain punctuality, discipline, honesty and respect towards teachers, staff and fellow students.
- ID card must be worn and shown on request at all times on campus. Students without ID may be denied entry to classes and labs for the day.
- Dress code: UG uniform Monday to Thursday; smart casual on Friday; decent attire at all times. Ripped jeans, sleeveless tops and slippers are not allowed in classrooms or labs.
- Mobile phones must be on silent and used only outside the classes; use in examinations is a serious offence.
- Prohibited: ragging, bullying, harassment, alcohol, tobacco, vaping, drugs, weapons, gambling, fireworks, defacing or damaging property, unauthorised posters, political demonstrations on campus, misuse of social media against the college or individuals, and unauthorised protests.
- Use of the college network for illegal, adult or harmful content, hacking or sharing copyrighted content is prohibited.
- Vehicle rules: speed limit 20 km/h, helmets and licence mandatory.
- Attendance and academic honesty rules apply as per Section 9.
- Students are not allowed to organise events or collect money without written permission from the Dean (Student Affairs).

12.9 Disciplinary Actions and Fines

Offence	Typical action
Not wearing ID card or uniform	Warning for first offence; Rs. 100 fine from second time; parents informed after the third
Use of mobile phone in class or lab	Phone confiscated for the day; repeated: returned to parents
Smoking or tobacco on campus	Fine Rs. 1,000 and counselling; repeated: suspension for 3 to 7 days
Possession or consumption of alcohol or drugs	Suspension and referral to the Disciplinary Committee; hostel eviction; police report for drugs
Damage to property	Recovery of the full repair cost; fine up to Rs. 5,000; disciplinary action
Cheating or malpractice in examinations	As per Section 9.5 (cancellation of papers, suspension, dismissal for impersonation)
Ragging or harassment	As per Sections 12.6 and 12.7
Unauthorised absence from classes	Counselling and parent call; attendance rules apply
Misconduct against faculty or staff	Suspension for 7 to 15 days; repeated: dismissal
Misuse of campus Wi-Fi	Account blocked for 1 to 4 weeks
Vehicle rule violation (no helmet, speeding)	Fine Rs. 200 and vehicle permit cancelled on repeat
Falsifying documents or records	Cancellation of admission, report to authorities

The Disciplinary Committee (chaired by the Dean (Student Affairs)) hears the case with the student and, where necessary, parents, and records its decision. A student can appeal to the Principal within 7 days.

12.10 Parent Engagement

Parent-Teacher meetings are held twice a year (September and February). Parents can view attendance, internal marks, fee status and leave on the Parent Login. Parents are informed by SMS about absence of 3 or more continuous days, results and any disciplinary matters.

12.11 Alumni Services

The GIT Alumni Association has over 21,000 members. Services: alumni ID card, library access (for a small fee), mentoring, job referrals, annual meet, scholarships for students and a career network. Contact: alumni@greenfield-it.example.

13. Contact Details, Office Hours and Enquiry Procedure

Section 13 - How to contact Greenfield Institute of Technology (fictional): address, phone numbers, emails, office hours, department contacts and enquiry procedure. All contact details are fictional and do not work.

All phone numbers, email addresses and website addresses below are fictional (they use placeholder numbers and the .example domain) and cannot be used to contact a real organisation.

13.1 Main Contact Details

Item	Details
College name	Greenfield Institute of Technology (GIT)
Address	Greenfield Knowledge Park, Knowledge Park Road, Meadowvale, Greenfield District, PIN 600 999
Main telephone (exchange)	+91 00000 12000
Admissions helpline	+91 00000 12100 (toll-free: 1800-000-1234)
General email	info@greenfield-it.example
Admissions email	admissions@greenfield-it.example
Website	www.greenfield-it.example
Student portal	GIT Connect (connect.greenfield-it.example)
WhatsApp helpline	NOT AVAILABLE
Social media pages	NOT AVAILABLE in this document
Security control room	+91 00000 12199 (24 hours)
Anti-ragging helpline	+91 00000 12177 (24 hours)
Health Centre / ambulance	Extension 150

13.2 Office Hours

Office	Working days and hours
Administrative office and Principal's office	Monday to Friday 9:00 AM to 4:30 PM; Saturday 9:00 AM to 12:30 PM. Closed on Sundays and public holidays.
Admissions Office	Monday to Saturday 9:00 AM to 5:00 PM. From 1 February to 31 July: also Sundays 10:00 AM to 2:00 PM. Closed on public holidays.
Accounts Office (fees)	Monday to Friday 9:30 AM to 3:30 PM; Saturday 9:30 AM to 12:00 PM
Controller of Examinations Office	Monday to Friday 10:00 AM to 4:00 PM
Student Affairs Office (certificates, ID cards)	Monday to Friday 10:00 AM to 4:00 PM
Training and Placement Cell (CDC)	Monday to Friday 9:00 AM to 5:00 PM; Saturday 9:00 AM to 12:30 PM
Library	Monday to Saturday 8:00 AM to 8:00 PM
Health Centre	Doctors 9:00 AM to 5:00 PM (Monday to Saturday); nurse 24 hours
Transport Office	Monday to Saturday 8:00 AM to 5:00 PM
Hostel wardens' offices	Daily 8:00 AM to 8:00 PM; warden on call 24 hours
IT Help Desk	Monday to Friday 9:00 AM to 5:00 PM
Department offices	Monday to Friday 9:00 AM to 4:30 PM

13.3 Department and Office Contacts

Department / office	Email	Phone extension
Principal's Office	principal@greenfield-it.example	101
Computer Science and Engineering	cse@greenfield-it.example	201
Information Technology	it@greenfield-it.example	202
Artificial Intelligence and Data Science	aids@greenfield-it.example	203
Electronics and Communication Engineering	ece@greenfield-it.example	211
Electrical and Electronics Engineering	eee@greenfield-it.example	212

Library	library@greenfield-it.example	180
Transport Office	transport@greenfield-it.example	190
Hostel (Boys)	boyshostel@greenfield-it.example	301
Hostel (Girls)	girlshostel@greenfield-it.example	302
IT Help Desk	ithelp@greenfield-it.example	195
Research and Development	rnd@greenfield-it.example	105
Alumni Association	alumni@greenfield-it.example	106

To reach an extension, dial the main number +91 00000 12000 and enter the extension when prompted by the automated attendant.

13.4 Enquiry Procedure

Channel	How to use it	Response time
Phone	Call the admissions helpline for admission, fee and course queries (Monday to Saturday, 9:00 AM to 5:00 PM)	Immediate; call back within 1 working day if unattended
Email	Write to admissions@greenfield-it.example with name, program of interest, mobile number and your question	Within 2 working days
Online enquiry form	On the website, under Admissions > Enquiry; choose the program and submit	Within 1 working day via phone or email
Chatbot	The GIT enquiry chatbot answers common questions 24x7; escalates unanswered questions to the admissions team	Instant
Campus visit	Walk in at the Admissions Office near the Main Gate; guided tours at 10:00 AM and 3:00 PM (book one day earlier)	Same day
Post	Write to the Dean (Admissions) at the college address	Within 7 working days

Who to contact for what

Topic	Contact
Admission, eligibility, entrance exam, counselling	Admissions Office
Fee payment, receipts, refunds, late fees	Accounts Office
Scholarships and loans	Scholarship Cell (Student Affairs) and Admissions Office
Hostel allotment and mess	Chief Warden (Boys: Mr. K. Prabhu; Girls: Ms. Ananya Iyer)
Bus routes, bus pass and parking permit	Transport Office
Exams, results, revaluation, hall tickets	Controller of Examinations (Dr. Mohan Prakash)
Placement, internships and training	Career Development Cell (Dr. Deepa Warrier)
Attendance, timetable, course registration, syllabus	Respective department office / class advisor
Certificates and ID cards	Student Affairs Office
Discipline, grievances, ragging complaints	Dean (Student Affairs) (Dr. Vikram Desai), Grievance Cell, Anti-Ragging helpline
Wi-Fi, portal login, IT problems	IT Help Desk
Health and counselling	Health Centre and Wellness Centre
Research, Ph.D., patents	Dean (Research and Development) (Dr. Ibrahim Qureshi)

14. Frequently Asked Questions

Section 14 - Frequently asked questions about Greenfield Institute of Technology (fictional) with clear answers on admissions, fees, hostel, placements, academics, campus life and rules.

14.1 About the College

Q: What is Greenfield Institute of Technology?

A: Greenfield Institute of Technology (GIT) is a fictional private, autonomous, co-educational college of engineering, technology, computer applications and management in Meadowvale, founded in 1998. It is used only to demonstrate a college enquiry chatbot.

Q: Is Greenfield Institute of Technology a real college?

A: No. GIT is entirely fictional. All information in this knowledge base is invented for project demonstration and should not be used for real decisions.

Q: Where is GIT located?

A: GIT is at Greenfield Knowledge Park, Knowledge Park Road, Meadowvale, Greenfield District, PIN 600 999 (fictional). It is 5 km from Greenfield Town Railway Station and about 38 km from Meadowvale International Airport.

Q: Is GIT autonomous and who awards the degree?

A: Yes. GIT has been autonomous since 2012. Degrees are awarded in association with Greenfield State Technological University (GSTU).

Q: How big is the campus and how many students study at GIT?

A: The campus is 62 acres. About 3,700 students study at GIT (around 3,250 UG and 450 PG) with 285 full-time faculty.

Q: Is GIT accredited?

A: GIT is accredited with Grade A+ by the fictional Federation of Accreditation Boards (FAB) in 2023, valid until 2028, and approved by the fictional NCTES. Rankings are not available.

Q: Is GIT co-educational?

A: Yes, men and women study together. Hostels are separate for boys and girls.

14.2 Courses and Seats

Q: What courses does GIT offer?

A: UG: B.E. CSE, B.Tech IT, B.Tech AI&DS, B.E. ECE, B.E. EEE, B.E. Mechanical, B.E. Civil and B.Tech Biomedical. PG: M.E. CSE (AI), M.E. VLSI Design, M.E. Structural Engineering, MBA and MCA. Ph.D. in CSE, ECE, Mechanical and Management.

Q: How many seats are there in B.E. CSE?

A: B.E. CSE has 180 regular seats (90 Counselling, 72 Management, 18 NRI) plus 18 lateral entry seats in the second year.

Q: What is the total intake of GIT?

A: The sanctioned regular intake for 2026-27 is 810 seats in UG and 234 seats in PG, a total of 1044. In addition there are 81 lateral entry seats.

Q: What is the duration of the B.E./B.Tech course?

A: 4 years (8 semesters). Lateral entry students study for 3 years (6 semesters). MBA, MCA and M.E. are 2 years each.

Q: Are seats available now (October 2026)?

A: As of 1 October 2026, B.E. CSE, B.Tech IT and B.Tech AI&DS are full. Vacancies remain in ECE (6), EEE (14), Mechanical (11), Civil (9), Biomedical (3), M.E. CSE (2), M.E. VLSI (5), M.E. Structural (9), MBA (7) and MCA (4). Regular admission closed on 15 September 2026, so please check with the Admissions Office whether spot admission is possible.

Q: Can I change my branch after joining?

A: Yes. After the first year, students with CGPA 8.0 or above and no arrears can apply for a branch change, subject to vacancy (up to 10 percent of the intake of the target branch).

Q: Does GIT offer specializations?

A: Yes. Elective tracks start in the fifth semester (for example AI and Machine Learning, Cyber Security, Cloud Computing and Data Science in CSE). MBA has Finance, Marketing, HR and Business Analytics.

Q: Does GIT have a Ph.D. program?

A: Yes, in CSE, ECE, Mechanical Engineering and Management Studies, full-time and part-time. The number of seats is not specified.

14.3 Admissions

Q: What is the eligibility for B.E./B.Tech admission?

A: Pass in Class 12 with Physics, Mathematics and one of Chemistry/Computer Science/Electronics/Biology/Biotechnology with at least 50 percent aggregate in PCM (45 percent for SC/ST/BC/MBC and differently-abled candidates).

Q: Which entrance exam is required?

A: A valid JEE Main score, a GIT-CET score or a state counselling rank. GIT-CET for 2027-28 is on 24 and 25 April 2027.

Q: When do applications open and close for 2027-28?

A: Applications open on 1 February 2027. The last date to register for GIT-CET is 31 March 2027, and the last date for applications to all programs is 30 June 2027.

Q: What is the application fee?

A: Rs. 800 (Rs. 400 for SC/ST candidates). It is non-refundable.

Q: What documents are needed?

A: Class 10 and 12 mark sheets, transfer certificate, conduct certificate, entrance scorecard, community certificate (if applicable), Aadhaar/photo ID, medical fitness certificate, income and first-graduate certificates (if applying for aid) and passport-size photographs. See Section 3.8.

Q: Is there any capitation fee or donation?

A: No. GIT does not charge any capitation fee or donation. Pay only through the official portal or the Accounts Office.

Q: Is there lateral entry for diploma holders?

A: Yes. Diploma holders with 50 percent (45 percent for reserved categories) can join the second year. There are 81 lateral entry seats across the UG programs.

Q: How is the Management Quota merit decided?

A: By the Merit Index: 60 percent of Class 12 PCM percentage plus 40 percent of the entrance score percentile.

Q: What is the last date to pay fees after getting an offer?

A: Within 7 days of the offer letter date. For all categories the final date is 20 July 2027.

Q: Can I apply offline?

A: Yes, at the Admissions Office with the printed form, but online application is strongly recommended.

Q: When do classes start for first-year students in 2027-28?

A: Induction is from 26 to 31 July 2027 and classes begin on 2 August 2027.

14.4 Fees and Scholarships

Q: What is the tuition fee for B.E. CSE?

A: Rs. 85,000 per year under the Counselling Quota, Rs. 1,60,000 under the Management Quota and Rs. 2,50,000 under the NRI Quota.

Q: What is the total first-year fee for B.E. CSE in the Counselling Quota?

A: Rs. 1,42,500, which includes Rs. 1,23,500 recurring fees (tuition, laboratory, development, library, activity, Wi-Fi, insurance, training and exams) and Rs. 19,000 one-time fees (of which Rs. 5,000 is a refundable caution deposit). Hostel and bus are extra.

Q: What is the total yearly fee for B.E. CSE in the Management Quota?

A: Rs. 1,98,500 per year recurring, and Rs. 2,17,500 in the first year with one-time fees.

Q: What is the fee for B.E. Mechanical Engineering?

A: Counselling Quota tuition is Rs. 75,000 and Management Quota tuition Rs. 1,20,000 per year. The total yearly fee under the Counselling Quota is Rs. 1,15,500 (first year Rs. 1,34,500).

Q: What is the MBA fee?

A: MBA tuition is Rs. 1,10,000 per year. The total yearly fee is Rs. 1,41,500 and the first-year fee with one-time charges is Rs. 1,60,500.

Q: What is the MCA fee?

A: MCA tuition is Rs. 90,000 per year with a Rs. 8,000 laboratory fee. The total yearly fee is Rs. 1,29,500 and the first-year fee is Rs. 1,48,500.

Q: What is the fee for M.E. programs?

A: M.E. tuition is Rs. 70,000 per year with a Rs. 12,000 laboratory fee. The total yearly fee is Rs. 1,13,500 and the first-year fee is Rs. 1,32,500.

Q: What are the examination fees?

A: Rs. 2,500 per semester for UG and Rs. 3,000 per semester for PG. Arrear papers cost Rs. 500 per paper (maximum Rs. 3,000 per semester); revaluation costs Rs. 800 per paper.

Q: Can I pay the fee in installments?

A: Yes. 60 percent is due at admission/by 25 July, and 40 percent by 15 January. Late fee is Rs. 100 per day up to Rs. 5,000.

Q: What are the payment modes?

A: UPI, debit/credit card and net banking on GIT Connect; demand draft in favour of 'Greenfield Institute of Technology' at Meadowvale; or cash/card at the Accounts Office. Cheques are not accepted.

Q: What is the refund policy?

A: Withdrawal on or before 31 July: 90 percent of the tuition fee is refunded; 1 to 31 August: 50 percent; from 1 September: no refund. The admission fee, enrolment fee and application fee are not refunded. The caution deposit is refunded.

Q: Does GIT offer scholarships?

A: Yes: Founder's Merit Scholarship (100, 50 or 25 percent tuition waiver based on Class 12 PCM marks), sports excellence, need-based concessions (Rs. 30,000 or Rs. 15,000 per year), first-graduate concession (Rs. 10,000), defence wards, differently-abled, sibling concessions and government scholarships.

Q: Who gets a 100 percent scholarship?

A: Students with 95 percent or more in Class 12 PCM (or in the top 1 percent of GIT-CET/JEE Main) get a 100 percent tuition waiver in the first year (10 seats). It continues if they keep a CGPA of 8.5 and attendance of 85 percent.

Q: Does GIT help with education loans?

A: Yes. Meadowvale National Bank and Greenfield Cooperative Bank run on-campus help desks on Tuesdays in June to August. GIT provides fee structure letters and bonafide certificates. Interest rates are not available in this document.

14.5 Hostel and Transport

Q: Does GIT have hostels for boys and girls?

A: Yes. Banyan and Cedar Blocks for boys (1,000 capacity) and Lotus and Jasmine Blocks for girls (800 capacity).

Q: What are the hostel fees?

A: Room rent per year: triple sharing non-AC Rs. 45,000, double sharing non-AC Rs. 60,000, double sharing AC Rs. 85,000 and single room Rs. 95,000. Mess fee is Rs. 45,000 per year. One-time hostel admission fee is Rs. 3,000 and the caution deposit is Rs. 10,000 (refundable).

Q: What are the mess timings?

A: Breakfast 7:15 to 8:30 AM, lunch 12:30 to 2:00 PM, evening snacks 4:45 to 5:45 PM and dinner 7:30 to 9:00 PM (Monday to Saturday). Sundays have later breakfast from 8:00 to 9:30 AM.

Q: What time does the hostel close?

A: The gate closes at 8:30 PM from Monday to Saturday and 9:00 PM on Sundays and holidays. Late passes up to 10:00 PM are allowed (maximum 4 per month).

Q: Is the hostel compulsory?

A: No, the hostel is optional. Priority goes to students who live more than 25 km away.

Q: Is Wi-Fi available in the hostel?

A: Yes. All hostel rooms have Wi-Fi with a fair use limit of 15 GB per day per student.

Q: Does GIT provide bus facilities?

A: Yes. 38 buses run on 12 routes (R1 to R12) up to 40 km. Fees range from Rs. 32,000 (up to 10 km) to Rs. 50,000 (30.1 to 40 km) per year.

Q: What time do the buses reach the college and leave?

A: Buses reach the campus between 8:15 AM and 8:40 AM. Evening buses leave at 4:15 PM and 5:45 PM on weekdays and at 12:45 PM on Saturdays.

Q: Can students bring bikes or cars?

A: Two-wheelers are allowed with a permit (Rs. 600 per year) and helmets. Cars are allowed only for final-year UG and PG students (permit Rs. 1,500 per year).

14.6 Academics and Exams

Q: What is the minimum attendance required?

A: 75 percent in each course. Students with 65 to 74 percent may be allowed with condonation (Rs. 500 per course) for valid reasons; below 65 percent they are detained.

Q: What is the grading system?

A: A 10-point scale: O (91-100) = 10, A+ (81-90) = 9, A (71-80) = 8, B+ (61-70) = 7, B (56-60) = 6, C (50-55) = 5, RA below 50 = reappear.

Q: What is the pass mark?

A: At least 50 percent overall in each course and at least 27 out of 60 in the end-semester theory examination.

Q: How are internal marks divided?

A: Internal marks are 40: IA1 15, IA2 15, assignments and quizzes 5 and attendance 5. The end-semester exam carries 60 marks.

Q: What happens if I have arrears (backlogs)?

A: You can re-appear in the next exam session (Rs. 500 per paper). Arrears of semesters 1 and 2 must be cleared before the fifth semester, and arrears of semesters 1 to 4 before the seventh-semester project. There is a special exam in June for final-year students with up to 3 arrears.

Q: What is the maximum duration to complete B.E./B.Tech?

A: 7 years for regular entry and 6 years for lateral entry.

Q: How do I apply for revaluation?

A: Within 7 days of the results, via the portal: photocopy Rs. 300, retotalling Rs. 200, revaluation Rs. 800 per paper. Results come within 15 days.

Q: When are the semester exams for 2026-27?

A: Odd semester end-semester exams are from 7 to 23 December 2026; even semester exams are from 17 May to 5 June 2027.

Q: What are the college timings?

A: Classes run from 9:00 AM to 3:55 PM Monday to Friday, with club and training time until 5:00 PM. Saturday is 9:00 AM to 12:30 PM for mentoring, labs and activities.

Q: Is a laptop mandatory?

A: No. Computer labs are available. A laptop is useful from the second year but GIT does not specify any required model or configuration (not specified).

14.7 Placements and Careers

Q: What is the placement percentage at GIT?

A: For the 2025-26 UG batch, 617 of 730 eligible students were placed (84.5%). Highest package Rs. 32 LPA, average Rs. 6.4 LPA, median Rs. 5.2 LPA.

Q: Which companies visit GIT?

A: 142 (fictional) companies visited in 2025-26, including Nimbus Systems, Aurora Software, BlueHarbor Technologies, Kestrel Analytics, Quanta Dynamics, Meridian Motors, Titan Heavy Engineering and Silicor Microsystems. All names are fictional.

Q: What is the average package for CSE students?

A: Rs. 7.8 LPA on average in 2025-26, with 163 of 170 eligible students placed (95.9%).

Q: What are the placement eligibility rules?

A: No standing arrears, minimum CGPA 6.0, and attendance 75 percent or more. Companies may set higher cut-offs.

Q: Does GIT provide placement training?

A: Yes. Training starts in the first year, with around 120 hours of intensive training in the third year, mock interviews, aptitude and coding practice and alumni mentoring. The training fee of Rs. 5,000 per year is included in the fee.

Q: Are internships compulsory?

A: Yes. Every UG student must complete at least two internships (one of at least 4 weeks after the fourth or sixth semester). A 6-month internship in the eighth semester is possible.

Q: What about MBA and MCA placements?

A: In 2025-26, 94 of 108 MBA students (87.0%) with average Rs. 5.9 LPA and 49 of 55 MCA students (89.1%) with average Rs. 5.5 LPA were placed.

14.8 Campus Life and Services

Q: What are the library timings?

A: Monday to Saturday 8:00 AM to 8:00 PM; Sundays 9:00 AM to 5:00 PM reading room only (exam periods). It stays open until 10:00 PM during exams.

Q: How many books can I borrow from the library?

A: UG students: 4 books for 14 days. PG students: 6 books for 21 days. The late fine is Rs. 2 per day per book.

Q: What sports facilities are there?

A: Cricket, football and hockey grounds, 400 m track, basketball and volleyball courts, tennis court, indoor stadium with badminton, table tennis and chess, and a gymnasium. There is no swimming pool.

Q: Is there a medical facility on campus?

A: Yes. The Health Centre has 2 MBBS doctors (9 AM to 5 PM Monday to Saturday), nurses 24 hours, an ambulance and a tie-up with Meadowvale City Hospital 4 km away. Student insurance covers up to Rs. 1,00,000 per year.

Q: Is there a cafeteria?

A: Yes. The Green Plate Cafeteria and the Food Court serve veg and non-veg food from 8:00 AM to 5:30 PM. A full meal costs around Rs. 70.

Q: What clubs are available?

A: CodeCrafters, RoboForge, AI Society, Cipher Circle, E-Cell Ignite, Wordsmiths, Resonance, Rhythm Rush, Footlights, Lensight, Green Club, Women in Tech Forum, NSS, NCC, Yoga Club and more.

Q: What fests are held at GIT?

A: Verdant, the cultural fest (25 to 27 February 2027) and Technovate, the technical fest (11 to 13 March 2027). There are also Sports Day (29 January 2027) and hackathons.

Q: How is the campus safety?

A: 24-hour security, 420 CCTV cameras, women's safety cell, GIT Safe SOS app, hostel wardens and an anti-ragging squad.

Q: What is the dress code?

A: UG students wear a uniform Monday to Thursday and smart casual on Friday. Lab coats are mandatory in labs. ID cards must be worn.

Q: Is ragging allowed?

A: No. GIT has a zero-tolerance anti-ragging policy. Report incidents to +91 00000 12177 or antiragging@greenfield-it.example. Penalties include suspension, expulsion and police action.

Q: How do I raise a complaint or grievance?

A: Submit it on GIT Connect, by email to grievance@greenfield-it.example, in the grievance boxes or at the Student Affairs Office. It is acknowledged within 2 working days and resolved within 15 working days.

Q: How can I get a bonafide certificate?

A: Apply on GIT Connect or at the Student Affairs Office. It costs Rs. 50 and takes 1 working day.

Q: How can I contact GIT?

A: Admissions helpline +91 00000 12100 (toll-free 1800-000-1234), email admissions@greenfield-it.example, Monday to Saturday 9:00 AM to 5:00 PM. These contact details are fictional.

15. Additional Information Students Commonly Ask About

Section 15 - Extra details about Greenfield Institute of Technology (fictional): cost of studying, comparing quotas, first-week checklist, living near campus, safety, mental health, student life, alumni, comparisons and tips for choosing a program.

15.1 Total Cost of Studying at GIT (Estimates)

The table shows the estimated four-year (UG) or two-year (PG) tuition and fees with no hostel or transport, at 2026-27 rates (no revision assumed). Actual costs depend on fee revisions, scholarships and the quota.

Program (4 years)	Counselling quota total (Rs.)	Management quota total (Rs.)	NRI quota total (Rs.)
B.E. Computer Science and Engineering	5,13,000	8,13,000	11,73,000
B.Tech Information Technology	5,13,000	8,13,000	11,73,000
B.Tech Artificial Intelligence and Data Science	5,13,000	8,13,000	11,73,000
B.E. Electronics and Communication Engineering	5,21,000	7,41,000	11,81,000
B.E. Electrical and Electronics Engineering	4,81,000	6,61,000	11,81,000
B.E. Mechanical Engineering	4,81,000	6,61,000	11,81,000
B.E. Civil Engineering	4,81,000	6,61,000	11,81,000
B.Tech Biomedical Engineering	4,81,000	6,61,000	11,81,000

Program (2 years)	Total for all quotas (Rs.)
M.E. Computer Science and Engineering (Artificial Intelligence)	2,46,000
M.E. VLSI Design	2,46,000
M.E. Structural Engineering	2,46,000
Master of Business Administration (MBA)	3,02,000
Master of Computer Applications (MCA)	2,78,000

Hostel for 4 years in a triple sharing non-AC room with mess: Rs. 3,63,000 (Rs. 90,000 per year, plus one-time Rs. 3,000 admission fee; the Rs. 10,000 caution deposit is refunded). Bus fee for 4 years in the 10.1 to 20 km slab: Rs. 1,52,000.

15.2 Which Quota Should I Choose?

- Counselling Quota: lowest fee; needs a good rank in state counselling or JEE Main/GIT-CET merit. 50 percent of seats.
- Management Quota: higher fee (for example B.E. CSE Rs. 1,60,000 per year tuition), based on the GIT Merit Index. 40 percent of seats. Scholarships such as the Founder's Merit Scholarship can reduce the cost.
- NRI/Foreign National Quota: Rs. 2,50,000 tuition per year for all programs; 10 percent of seats.
- All quotas follow the same curriculum, classes, exams, placement opportunities and hostel facilities. Quota does not matter for academics or placement.

15.3 Choosing a Branch

If you are interested in	Consider
Programming, software, AI and cyber security	B.E. CSE; B.Tech IT; B.Tech AI&DS
Machine learning, data and analytics	B.Tech AI&DS; B.E. CSE (AI/ML or Data Science track)
Chips, embedded systems, communication	B.E. ECE (VLSI, Embedded, Wireless tracks)
Electric vehicles, power and renewable energy	B.E. EEE (EV Technology; Power Systems; Smart Grid)
Machines, robotics, manufacturing, automobiles	B.E. Mechanical (Robotics, Thermal, Automotive)

If you are interested in	Consider
Buildings, roads, environment, structures	B.E. Civil (Structural, Environmental, Construction)
Healthcare technology and medical devices	B.Tech Biomedical Engineering
Business and management careers	MBA after any degree
Software careers after a non-engineering degree	MCA

15.4 First Week Checklist for New Students

- Pay fees and collect the admission order, ID card, and portal login.
- Complete the hostel and bus registration (if needed) and anti-ragging undertaking.
- Attend the induction program (26 to 31 July 2027) and collect the timetable.
- Buy the uniform, lab coat and basic stationery at the campus store.
- Register for the library and Wi-Fi accounts; install the GIT Connect and GIT Safe apps.
- Meet your mentor and class advisor; join clubs at the club fair (second week of August).
- Note the exam dates, attendance rules and IA schedule.
- Open a bank account if you need one (counter on campus).

15.5 Things to Carry on the First Day

Original documents for verification, fee receipts, admission order, 4 to 8 passport photographs, ID proof, medical certificate, stationery, a scientific calculator (for first-year), and for hostel students bedding, a padlock, toiletries and personal medicines.

15.6 Living Near the Campus

Most students live in the hostels or use the college bus. The area around Greenfield Gate Market and Library Road has shops, small restaurants, pharmacies and paying-guest accommodation. Typical monthly cost of a paying-guest room: not specified. Nearest hospital: Meadowvale City Hospital, 4 km. Nearest railway station: Greenfield Town Railway Station, 5 km. Nearest airport: Meadowvale International Airport, 38 km.

15.7 Student Mental Health and Wellbeing

GIT promotes student wellbeing through the Wellness Centre (two counsellors and a visiting psychiatrist on Wednesdays), a mentor for every student, yoga, sports and peer support groups. Counselling is free and confidential. Students can ask for an appointment at ext. 160 or wellness@greenfield-it.example. In an emergency call the Health Centre (ext. 150) or security (+91 00000 12199).

15.8 Is GIT Good for International Students?

Foreign nationals can apply under the NRI/Foreign National quota with a passport, visa, equivalence certificate and Class 12 mark sheets. Hostel accommodation is available if seats remain. Instruction is in English. Visa support, FRRO registration help and an international students' office: NOT AVAILABLE in this document.

15.9 Alumni and Industry Connections

GIT has more than 21,000 alumni working in IT, core engineering, finance, research and entrepreneurship. Alumni mentors (over 150) support final-year students; the Alumni Association gives 10 scholarships of Rs. 25,000 each every year. Industry connections include 25 MoUs with fictional partners, guest lectures every month and industry-sponsored courses.

15.10 Tips for Getting Admission and Making the Most of GIT

- Apply early: the merit list 1 date is 24 May 2027, and popular programs like CSE and IT fill quickly.
- Prepare for GIT-CET using Class 11 and 12 PCM syllabus; there is negative marking of 0.25.
- Apply for scholarships along with the admission form (deadline 30 June 2027).
- Join a club, do internships in the second and third years, and work on a project early.
- Keep attendance above 75 percent and track internal marks on GIT Connect.

16. Sample Student Queries and Answers (Different Phrasings)

Section 16 - Examples of how students may phrase questions about Greenfield Institute of Technology (fictional), with the correct answer for each. Use these to match differently worded questions.

The same fact can be asked in many ways. The groups below give several phrasings with one answer, followed by conversational questions.

Question variants: What is the fee for CSE?

- What is the fee for CSE?
- How much does B.E. Computer Science cost?
- CSE tuition fees?
- How much will I pay for computer science engineering per year?

Answer: B.E. CSE tuition is Rs. 85,000 per year (Counselling Quota), Rs. 1,60,000 (Management Quota) and Rs. 2,50,000 (NRI Quota). The total first-year fee in the Counselling Quota, including all fees and one-time charges, is Rs. 1,42,500 (hostel and bus extra).

Question variants: When is the last date to apply?

- When is the last date to apply?
- Application deadline for 2027?
- Till when can I submit the admission form?
- Closing date of admission applications

Answer: The last date to apply for all programs in the 2027-28 cycle is 30 June 2027. The last date to register for GIT-CET is 31 March 2027. Applications open on 1 February 2027.

Question variants: Do you accept JEE Main?

- Do you accept JEE Main?
- Is JEE score valid for admission?
- Can I join with JEE rank?

Answer: Yes. A valid JEE Main score is accepted for the B.E./B.Tech Counselling and Management Quota seats. GIT-CET scores and state counselling ranks are also accepted.

Question variants: Is there a hostel?

- Is there a hostel?
- Do you have accommodation for outstation students?
- Where will I stay if I come from another city?
- Hostel available for girls?

Answer: Yes. GIT has boys' hostels (Banyan and Cedar) and girls' hostels (Lotus and Jasmine) with a total capacity of 1,800. Rent ranges from Rs. 45,000 to Rs. 95,000 per year plus mess fee Rs. 45,000. Students living more than 25 km away get priority.

Question variants: How much is the hostel fee?

- How much is the hostel fee?
- Hostel and mess charges?
- What do I pay for a room and food?

Answer: Triple non-AC room Rs. 45,000, double non-AC Rs. 60,000, double AC Rs. 85,000 and single Rs. 95,000 per year, plus mess Rs. 45,000 per year. One-time hostel admission fee Rs. 3,000 and refundable deposit Rs. 10,000.

Question variants: What is the highest package?

- What is the highest package?
- Maximum salary offered in campus placement?
- Best offer received by students?

Answer: The highest package in 2025-26 was Rs. 32 LPA (fictional). Average was Rs. 6.4 LPA and median Rs. 5.2 LPA.

Question variants: How good are placements?

- How good are placements?
- Placement record of GIT?
- What percent of students get jobs?

Answer: In 2025-26, 617 of 730 eligible UG students were placed (84.5%). 142 companies visited. CSE had 95.9% placement and an average package of Rs. 7.8 LPA.

Question variants: Minimum attendance?

- Minimum attendance?
- What if my attendance is below 75?
- Can I write exams with 70 percent attendance?

Answer: 75 percent is required in every course. With 65 to 74 percent you can apply for condonation (Rs. 500 per course) with a valid reason; below 65 percent you are detained for that course.

Question variants: Are there scholarships for toppers?

- Are there scholarships for toppers?
- Merit scholarship details?
- I scored 96 percent in 12th. Do I get a fee waiver?

Answer: Yes. A Class 12 PCM score of 95 percent or above gives a 100 percent tuition waiver in the first year (Founder's Merit Scholarship Level 1, 10 seats). 90 to 94.99 percent gives 50 percent and 85 to 89.99 percent gives 25 percent.

Question variants: Bus facility available?

- Bus facility available?
- How will I come to college from Brookfield?
- College bus fees

Answer: Yes. Route R2 serves Brookfield Station, Oakridge and Pinecrest Circle, with morning pickup from 7:05 AM and arrival at 8:25 AM. Bus fee depends on distance: Rs. 32,000 (up to 10 km), Rs. 38,000 (10.1 to 20 km), Rs. 44,000 (20.1 to 30 km), Rs. 50,000 (30.1 to 40 km) per year.

Question variants: Who is the principal?

- Who is the principal?
- Name of the head of the college?

Answer: The Principal is Dr. Anand Raghunathan (fictional).

Question variants: How can I contact the admission office?

- How can I contact the admission office?
- Admission helpline number?
- Email for admission queries

Answer: Call +91 00000 12100 (toll-free 1800-000-1234) or email admissions@greenfield-it.example, Monday to Saturday 9:00 AM to 5:00 PM. These details are fictional.

Question variants: Is ragging a problem?

- Is ragging a problem?
- How safe is the campus for freshers?

Answer: GIT has a zero-tolerance anti-ragging policy, an anti-ragging squad, 24x7 helpline (+91 00000 12177), CCTV cameras and wardens. Penalties include suspension and expulsion.

Question variants: Can I get an education loan?

- Can I get an education loan?
- Do you have a bank tie-up?

Answer: Yes. Meadowvale National Bank and Greenfield Cooperative Bank have on-campus help desks on Tuesdays in June to August. Loan interest rates are not available in this document.

16.1 Conversational Examples

Q: hi, i got 88 percent in 12th PCM. can i get cse? what will it cost me?

A: You meet the minimum eligibility (50 percent PCM). Admission depends on your JEE Main/GIT-CET score and the quota. CSE tuition is Rs. 85,000 (Counselling) or Rs. 1,60,000 (Management) per year. With 88 percent you may qualify for a 25 percent first-year tuition waiver (Founder's Merit Level 3, 40 seats), which is awarded automatically if you tick the scholarship option while applying.

Q: My father earns 4 lakh a year. Any help with fees?

A: Yes. If your annual family income is above Rs. 3,00,000 and up to Rs. 5,00,000, you can apply for the Need-based Fee Concession (Tier B) of Rs. 15,000 per year, along with possible first-graduate, merit or government scholarships. Apply on GIT Connect by 31 August with an income certificate.

Q: Is GIT good for ECE and what are the tracks?

A: B.E. ECE has 120 seats, with tracks in VLSI Design, Embedded Systems, Wireless and Communication Systems, and Signal and Image Processing. ECE had 82.9% placement in 2025-26 with an average package of Rs. 5.9 LPA. Counselling Quota tuition is Rs. 85,000 and Management Quota tuition is Rs. 1,40,000 per year.

Q: Can I join the MBA after BCom? What is the entrance?

A: Yes. Any bachelor's degree with 50 percent (45 percent for reserved categories) is accepted with a valid CAT, MAT, CMAT or GIT-MAT score. GIT-MAT is on 22 May 2027. MBA tuition is Rs. 1,10,000 per year and the MBA has 120 seats.

Q: I am a diploma holder. Can I directly enter second year?

A: Yes. Diploma holders with 50 percent (45 percent reserved) in a relevant discipline can join the second year through lateral entry. Lateral entry counselling is on 12 July 2027. There are 81 lateral seats in total (for example CSE 18, ECE 12, Mechanical 9).

Q: what's the food like in hostel and can i get non veg?

A: Hostel messes serve both vegetarian and non-vegetarian food. Non-veg days are Wednesday (egg), Friday (chicken) and Sunday (chicken or fish). Mess fee is Rs. 45,000 per year for 10 months.

Q: Can I keep my bike on campus?

A: Yes. Apply for a two-wheeler parking permit (Rs. 600 per year) with your driving licence, RC and insurance. Helmets are compulsory and the speed limit is 20 km/h.

Q: my attendance got low because I was hospitalised. what to do?

A: Submit your medical certificate within 3 days of rejoining and apply for attendance condonation (Rs. 500 per course) through your department if your attendance is between 65 and 74 percent. Approval is given by your HoD and the Principal.

Q: Do you provide laptops or Wi-Fi?

A: GIT does not provide laptops (computer labs are available). Wi-Fi is available across campus and in hostels with 1,200 access points and 1 Gbps internet.

Q: Does the college have a swimming pool?

A: No. GIT does not have a swimming pool. The sports facilities include a gym, indoor stadium, courts, track and grounds.

Q: What is the NIRF rank of your college?

A: Ranking information is not available. GIT is a fictional college without a ranking. It is accredited with Grade A+ by the fictional FAB.

Q: How do I get a transfer certificate?

A: At the end of the course the TC is free (3 working days after clearing dues). Before course completion it costs Rs. 500. Apply at the Student Affairs Office with a no-dues form.

Q: Can I do my final-year project in a company?

A: Yes. In the eighth semester, you can opt for a 6-month industry internship in lieu of Project Phase II and a professional elective if the company and the department approve.

Q: Does GIT offer study abroad?

A: A semester-abroad or student-exchange program is not available currently. The CDC provides guidance for higher-study applications abroad (application support only).

Q: Who do I call if I'm being bullied by seniors?

A: Contact the anti-ragging helpline at +91 00000 12177 (24 hours), email antiragging@greenfield-it.example, tell your warden or mentor, or use the complaint boxes. Complaints are confidential and strict action is taken.

17. Register of Information That Is Not Available

Section 17 - Topics for which Greenfield Institute of Technology (fictional) knowledge base has NO information. The chatbot should say that the detail is not available and direct the student to the relevant office instead of guessing.

When a student asks about any of the topics below, the chatbot should answer: 'This detail is not available in the information I have. Please contact the [relevant office] (see Section 13).'

Topic	Status	Who to contact
National or international ranking of GIT	NOT AVAILABLE (fictional college)	Admissions Office
Exact number of Ph.D. seats each year and Ph.D. fee	NOT SPECIFIED	Research and Development office
State government reservation percentages by category	NOT SPECIFIED; follows the state government order	Admissions Office
Dates of state engineering counselling	NOT SPECIFIED; announced by the state authority	State counselling authority / Admissions Office
Education loan interest rates, subsidy and collateral rules	NOT AVAILABLE; set by banks	Partner banks
Government scholarship amounts and income limits	NOT SPECIFIED; set by the government	Scholarship Cell
Names of corporate scholarship sponsors	NOT AVAILABLE	Scholarship Cell
Seed funding for student start-ups	NOT SPECIFIED	E-Cell / Innovation Hub
Names of MoU partners	NOT AVAILABLE	Dean (Research and Development)
Detailed course-wise syllabus and textbooks	NOT INCLUDED; available on the portal and from department offices	Department office
GPS bus tracking app	NOT AVAILABLE	Transport Office
Swimming pool	NOT AVAILABLE (no pool)	N/A
Student exchange or semester abroad programs	NOT AVAILABLE	Dean (Academics)
Guaranteed Jain or special-diet meals	NOT SPECIFIED	Chief Warden
Screen-reading software and braille support	NOT AVAILABLE at present	Equal Opportunity Cell
International student office and visa assistance	NOT AVAILABLE	Admissions Office
Vendor names of licensed software and industry certifications	NOT SPECIFIED	Computer Centre / CDC
Monthly rent of private paying-guest accommodation	NOT SPECIFIED	Dean (Student Affairs)
Fee revision for the years after 2027-28	NOT AVAILABLE; any revision is announced by 31 March each year	Accounts Office
Intake for 2027-28 (final)	NOT AVAILABLE until notified in February 2027 (expected same as 2026-27)	Admissions Office
Real-time seat availability and live vacancy	Only the 1 October 2026 snapshot is available	Admissions Office
Google Maps link, GPS coordinates, campus map	NOT AVAILABLE	Admissions Office
Social media accounts and WhatsApp helpline	NOT AVAILABLE	Admissions Office
Individual faculty profiles and publications	NOT INCLUDED in this document	Department offices
Laptop specification required by the college	NOT SPECIFIED; a laptop is not mandatory	Department office
Stipend guarantee during internships	NOT GUARANTEED; depends on the company	CDC

The chatbot must never invent facts such as rankings, new fees, phone numbers not listed here, or the names of companies that are not in Section 8. If the answer cannot be found in the document, it should say so and suggest contacting the admissions office.

18. Glossary and Quick Facts

Section 18 - Glossary of terms and a one-page quick-reference list of the most important facts about Greenfield Institute of Technology (fictional).

18.1 Glossary

Term	Meaning
GIT	Greenfield Institute of Technology (fictional college)
GSTU	Greenfield State Technological University (fictional affiliating university)
NCTES	National Council for Technical Education Standards (fictional approval body)
FAB	Federation of Accreditation Boards (fictional)
GIT-CET	GIT Common Entrance Test for UG admission
GIT-MAT	GIT Management Aptitude Test for MBA admission
JEE Main	National-level engineering entrance exam; scores are accepted
GATE	Graduate Aptitude Test in Engineering; accepted for M.E.
Counselling Quota	50 percent of seats filled through counselling; lowest fee
Management Quota	40 percent of seats filled by GIT based on the Merit Index
NRI Quota	10 percent of seats for NRI/Foreign National candidates
Lateral entry	Direct admission to the second year for diploma holders and B.Sc. graduates
CGPA / SGPA	Cumulative / Semester Grade Point Average on a 10-point scale
Arrear / backlog	A course not cleared (grade RA, AB or SA); to be re-appeared
CIA / IA	Continuous Internal Assessment / Internal Assessment test
OD	On-Duty attendance for official college events
Condonation	Permission to appear for exams despite attendance shortage (65 to 74 percent) with a fee of Rs. 500 per course
RA	Re-appear grade (fail)
CDC	Career Development Cell (Training and Placement Cell)
PPO	Pre-Placement Offer given to interns
LPA	Lakhs per annum (Rs. 1 LPA = Rs. 1,00,000 per year)
CTC	Cost to Company: total yearly package
GIT Connect	GIT student portal and mobile app
GIT Safe	Safety app with an SOS button
ICC	Internal Complaints Committee for sexual harassment complaints
GRC	Grievance Redressal Committee
TC	Transfer Certificate
HoD	Head of Department
MoU	Memorandum of Understanding
Caution deposit	Refundable security deposit paid at admission (college Rs. 5,000; hostel Rs. 10,000)

18.2 Quick Facts

Item	Fact
Name	Greenfield Institute of Technology (GIT), fictional
Founded	1998; autonomous since 2012
Location	Greenfield Knowledge Park, Meadowvale, Greenfield District, PIN 600 999 (fictional)
Campus	62 acres

Item	Fact
Students / faculty	About 3,700 students; 285 faculty; ratio about 13:1
Programs	8 UG, 5 PG (3 M.E., MBA, MCA), Ph.D.
UG intake	810 regular + 81 lateral
PG intake	234
